Moral Issues and Christian Responses

Patricia Beattie Jung, Loyle Shannon Jung, 2012-09-01 This popular anthology for the study of Christian ethics now in its eighth edition has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of an ethical issue Issues include the distinctiveness of Christian ethics sexuality reproductive rights prejudice immigration the environment economics biomedical ethics death and dying terrorism war and globalization Publisher description *Pentecostalism and Globalization* Steven M. Studebaker, 2010-09-20 In little over a century the Pentecostal movement has emerged from small bands of revival seekers to become one of the largest Christian groups in the world Primarily a movement within Western Christianity for much of its brief history it is increasingly characterized as a global movement Pentecostal theology and ministry in a Western context must engage global Pentecostalism and be willing to rethink its traditional patterns of thought and practice in light of the evolving nature of the movement The essays in this book come mainly from the McMaster Divinity College 2008 Pentecostal Forum The Many Faces of Pentecostalism Pentecostalism and Globalization The first section outlines the nature of globalization and establishes it as the context for contemporary Pentecostal theology and ministry The other contributions explore the impact of globalization on traditional areas of Pentecostal theology such as Spirit baptism and speaking in tongues and twenty first century Pentecostal ministry *Theologia Crucis in Asia* A.A. Yewangoe, 2024-08-19 *21st Century Foundation and Principles for Socioeconomic Development and Social Entrepreneurship* Acsw Corker-Caulker, Richard Corker-Caulker (Acsw), 2012-04 As the United Nation adopted Entrepreneurship for development on December 8 2012 Churches and states around the world cannot seem to agree how to get involved in socioeconomic development and entrepreneurship a subject certainly bears examination Using a qualitative approach religious scholar psychologist and researcher Dr Richard Corker Caulker outlines the theories that have justified various social programs He analyzes interprets and explains how church and state have responded to socioeconomic problems of the course of history citing concrete examples The role of religious political business educational and family institutions in economic development and entrepreneurship is examined including how religious and political institutions can develop education constitutions laws program and services around human needs link to human development and prosperity for all As you read you ll discover the relationship between the divine and humanity and how this affects socioeconomic development why a relationship with God is important for communities ways to increase the chances of individual socioeconomic development strategies to promote social entrepreneurship in developing nations how to develop needs assessment how to identify natural resources and social problems for socioeconomic development and entrepreneurship potential for creating and starting your own job and how

personal belief can limit or increase socioeconomic development and entrepreneurship prospect It is possible for everyone to become financially independent while adhering to biblical and spiritual principles The solution to human problems lies in cooperation with a higher power and a willingness to use biblical principles alongside new ideas and theories to become agents of change With this book you ll examine the human crisis from the context of Adam and Eve who triggered a transgenerational problem that requires more complex responses from the church Improve your understanding of the divine and take an important step to improving conditions for yourself and others with Twenty First Century Foundation and Principles for Socioeconomic Development and Social Entrepreneurship This book recommended for every family and institutions

Christian responses to Islam Anthony O'Mahony, Emma Loosley, 2024-06-04 In the aftermath of 9 11 there has been much talk of a need to engage on a meaningful level with Islam but where do we begin and what is the right approach This book available in paperback for the first time looks at case studies from around the world in order to explore how Christian groups sometimes as minorities and sometimes as the majority engage with their Muslim neighbours in the search for a peaceful society Some of the initiatives are politically motivated others run by Church authorities and a number are community based but all offer different approaches to a variety of situations that are encountered in Christian Islamic dialogue This is the first time that global strategies for dialogue have been published in one book by a series of leading academics Whilst previous publications have concentrated on a particular geographical area usually the Middle East or Europe this book casts a wider net and considers issues such as the rise of radical Islam in post Soviet states Indonesian immigration in Australia and the spread of Islam amongst the Black South Africans after the fall of apartheid Scholars and all those interested in politics current affairs religion or peace studies will find this book essential reading as a guidebook to the state of contemporary Christian Islamic relations

Understanding Contemporary Social Problems Through Media Roberta Goldberg, 2015-11-17 Goldberg uses a multi media approach to critically examine the most significant and volatile issues of our times the environmental crisis upheavals in the developing world health terrorism and technology The book is unique in its in depth coverage of these pressing social concerns and its use of extensive media resources through a companion website An introductory section reviews basic sociological concepts and theories including the sociological imagination and class gender and race stratification all of which are revisited in each chapter The book helps students appreciate the magnitude of the problems of the twenty first century as they develop the intellectual tools to understand them sociologically and personally Features of the text

Religion and Social Problems Titus Hjelm, 2011-01-21 Although students and scholars of social problems have often acknowledged the role of religion no thorough examinations of the relation between the two have emerged This book fills this gap by providing a definitive work

on the impact of religion on social problems religion as a solution to social problems and religion as a social problem in itself

Protestant Thought in the Nineteenth Century, Volume 2 Claude Welch, 2003-12-12 A comprehensive account of the principal Protestant theological concerns and writers from 1870 to World War I Welch discusses both major and minor thinkers placing them within such overarching themes as the nature of faith and the relationship of church and society

Adult Responses to Popular Music and Intergenerational Relations in Britain, c. 1955 1975 Gillian A. M. Mitchell, 2019-02-28 Adult Reactions to Popular Music and Inter generational Relations in Britain 1955 1975 challenges stereotypes concerning a post war generation gap exacerbated by rebellion inducing popular music styles by demonstrating the considerable variety which frequently characterized adult responses to the music whilst also highlighting that the impact of the music on inter generational relations was more complex than is often assumed NP Utilizing extensive primary evidence from first person accounts to newspapers television programmes surveys and archive collections the book adopts a thematic approach identifying three key arenas of British society in which adult responses to popular music and the impact of such reactions upon relations between generations seem particularly revealing and significant The book examines in detail the place of popular music within family life and Christian churches and their engagement with popular music particularly within youth clubs It also explores encounters between the worlds of traditional Variety entertainment and popular music while providing broader perspectives on this most dynamic and turbulent of periods
