

The Eight Strands of Social Studies

Economics

Wants and needs, goods and services. Basic human needs are met in a variety of ways.

Citizenship

Rights, responsibilities, pride, and hope. Our beliefs and principles help make up our national identity.

Geography

Location, place, maps, and more. People and environments surround us and are ever changing.

Social Studies Skills

Many special skills are needed to better understand the world around you.

Government

People work to make the laws that influence our lives. People work with citizens to govern.

History

Time and chronology, years and dates. Historical figures and ordinary people help shape our lives.

Science, Technology, and Society

Inventions, computers, and ideas. Technology has changed how people live together in the world.

Culture

Holidays, traditions, and stories. We learn about ourselves and our families through the customs we share and celebrate.
