Socialism In Russia Theory And Practice:

Socialism in Russia Nodari Simonia,1994-02-23 This study by Simonia is among the first to present an in depth analysis of the theory and practical effect of the transition to socialism in Russia The work consists of two parts the first deals with the attempt initiated by Lenin to affect a socialist system the evolution of his theoretical thought and his search for a model of indirect transition to socialism through state capitalism the second analyzes Stalin s direct declaration of state bureaucratic socialism his distortion of the ideas of cooperation state capitalism and socialist accumulation and the failure of his communist society In concluding Simonia relates Russia s socialist development to its current economic and socio political problems providing insights into its tortuous and thorny history **Socialism in Theory and Practice** Morris Hillquit,1909

Socialism in Russia J. Gooding,2001-12-03 This book asks three fundamental questions about the socialist experiment in twentieth century Russia How did Marxist ideas come to be implemented in Russia a country entirely unsuited to them Why did the experiment lead to such suffering and upheaval and prove so fruitless And why did the attempt to return to a proper Marxism Leninism bring about the rapid collapse of the experiment In its answers this book pays special attention to the shadow cast by Lenin throughout the entire Soviet era **Theories and Practices of Scientific Socialism**

Zhao Jiaxiang,2020-06-09 In the four volumes of The Development Trajectory of Eastern Society and the Theories and Practices of Socialism the author re examines Marx and Engel s theories on the development trajectory of the Eastern societies by integrating theoretical analysis of Marxist theories and a historical investigation of socialist revolution and construction around the world This volume discusses the victories and failures of the 100 year trajectory of socialism Since the Russian Revolution of October 1917 socialism has been practiced for nearly a hundred years in countries at various stages of development The author provides a proper synthesis of the lessons derived from socialism s first hundred years as well as China s reforms and interaction with the world In addition he analyzes Marx and Engels socialist theories and their significance for contemporary social development in Eastern societies Readers who study Marxism Marxist philosophy philosophical history and the history of philosophy will find this volume of immense interest **The Theory and Practice of Communism, (People's Republic of China), Hearings ..., 93-1 ...**

United States. Congress. House Internal Security,1973 **Socialism, Social Ownership and Social Justice** Leslie J. Macfarlane,2016-07-27 Socialism Social Ownership and Social Justice is concerned with the emergence in Europe over the centuries of dreams and aspirations amongst the poor and weak for new societies of justice and equality based on common ownership and common sharing It ranges from the Greek legendary ideal of a simple communal golden age of equals and the dark reality of Spartan perverted communalism to the collapse of Soviet communism and the abandonment by West European socialist parties of their commitment to transform ruling class dominated capitalist societies into democratic egalitarian socialist societies *Foreign Social Science*
