Cherry Schrecker

Sociological Adventures Earle Edward Eubanks Visits With European Sociologists:

Sociological Adventures Dirk Kasler, 2023-04-14 In the summer of 1934 an American professor of sociology at the University of Cincinnati Earle Edward Eubank travelled through Europe and in doing so visited the most famous sociologists of the time in England Germany Austria Czechoslovakia and France This book is a description of this journey its results and consequences

Karl Mannheim and the Crisis of Liberalism David Kettler, Volker Meja, 2018-01-16 To reflect on Karl Mannheim is to address fundamental issues of political enlightenment Mannheim's driving determination was to learn as a sociologist by close observation the secret even if it is infernal of these new times Mannheim's aim was to carry liberal values forward His problem remains irresistible to reflective people at the end of the twentieth century Mannheim attempted to link social thinking to political emancipation despite overwhelming evidence against the connection Karl Mannheim and the Crisis of Liberalism is a sympathetic biography of Mannheim's paradoxical and paradigmatic project The book covers a wide range of European and American thought including Mannheim's dealings with Georg Lukacs and Oscar Jzsi in Budapest with Alfred Weber Leopold von Wiese Franz Neumann Paul Tillich Adolph Loewe and his students in Weimar Germany with Louis Wirth Edward Shils and other major figures in American sociology and with social analysts and religious thinkers in England The analysis is informed by dilemmas of history and theory science and rhetoric freedom and technical control the themes of liberalism Kettler and Meja carefully depict each stage of Mannheim's life as a sociologist and explore his influence on leading social thinkers Karl Mannheim and the Crisis of Liberalism combines significant biographical information with insightful sociological theory It will be a vital resource for historians sociologists and political theorists

Whitaker's Book List, 1991

Transatlantic Voyages and Sociology Cherry Schrecker, 2010 Two vectors central to this exchange of ideas are examined people as carriers of ideas and the ideas themselves whose passage cannot always be connected to particular individuals or specific journeys The book is divided into three sections in order to treat diverse aspects of this mutual transatlantic influence In the first section the reception of ideas is examined beginning with the reception of the ideas of Weber and Parsons Subsequently the notion of a national sociology is explored and illustrated by several examples The second section addresses the question of study and social visits and it considers the extent to which these shaped the development of sociology in America and Europe with particular attention to the work of Spencer Ward Ellwood Znaniecki and Gunnar and Alva Myrdal In the final section the role played by the Second World War as a catalyst for transatlantic travel and the diffusion of ideas is explored

Thank you very much for reading **Sociological Adventures Earle Edward Eubanks Visits With European Sociologists**.
