## **Sociology Canadian:**

**Introduction to Sociology: Canadian Version** George Ritzer, Neil Guppy, 2013-07-25 While providing a rock solid foundation of sociology Introduction to Sociology Canadian Version by renowned sociologists George Ritzer and Neil Guppy illuminates traditional sociological concepts and theories as well as some of today's most compelling social phenomena Globalization consumer culture and the Internet Ritzer and Guppy bring students into the conversation by bridging the divide between the outside world and the classroom The international version of the book by Ritzer has been redesigned with an explicitly Canadian core The result is this compelling Canadian version featuring George Ritzer's distinctive voice and style blended with Neil Guppy's definitive views on Canadian sociology highlighting the place of Canada in a globalizing world

**Canadian Sociologists in the First Person** Stephen Harold Riggins, Neil McLaughlin, 2021-08-15 Social scientists' autobiographies can yield insight into personal commitments to research agendas and the very project of social science itself But despite the long history of life writing sociologists have tended to view the practice with skepticism Canadian Sociologists in the First Person is the first book to survey the Canadian sociological imagination through personal recollections Exploring the lives and experiences of twenty contributors from across the country this book connects the unique and shared features of their careers to broad social dynamics while providing a guide to their own research and administrative contributions to their universities their profession and their broader society and communities The contributors teach in different types of institutions are prominent in the discipline and in their specializations and represent significant and diverse intellectual currents political perspectives and life and career experiences Aiming to start a broad conversation about what social science and the academic profession look like in Canada from an insider's perspective Canadian Sociologists in the First Person offers invaluable lessons for younger scholars as they envision a diverse sociological imagination for the twenty-first century **Basic Sociology** James J. Teevan, Agocs, Caroline, 1982 **The Civil Sphere in**

**Canada** Jeffrey C. Alexander, Mervyn Horgan, 2025-05-15 When activists advocate victims of injustice and ordinary citizens seek to advance or block social justice and cohesion they draw on morally charged ideals But the wellsprings of solidarity in a society as diverse as Canada are complex and mutable The Civil Sphere in Canada analyzes the shifting meanings we attach to key social actors activities and institutions to reveal the dynamics of inclusion and exclusion that animate Canadian society Applying Jeffrey Alexander's groundbreaking civil sphere theory to Indigenous settler relations media scandals multiculturalism urban planning and personal relations contributors demonstrate that transformations in shared meaning must precede legislative and institutional change Profoundly harmful behaviours such as cultural appropriation sexual misconduct and even genocide may pass as routine for years before the public decides they are unacceptable breaches of civil order This superb collection ushers Canadian voices into a burgeoning international debate about the role of the civil sphere in effecting social justice **American Sociological Hegemony** Danesh A. Chekki, 1987 Provides a synthetic

comparative analysis of the dominant influence of American Sociology on the sociologies of India and Canada It examines the positivism humanism controversy and the roles of sociologists and argues for the development of a global sociology Selected by Choice as an Outstanding Academic Book of 1988 1989     *The Canadian Election Studies* Mebs Kanji,Antoine Bilodeau,Thomas J. Scotto,2012-05-30 Why do Canadians vote the way they do The primary objective of the ongoing Canadian Election Studies CES has been to investigate that question After more than four decades of gathering and analyzing data principal investigators of the CES come together in this volume to document the history of these surveys and consider their future This wide ranging collection of essays provides useful background and insights on the relevance of the CES and lends perspective to the debate about where to steer the CES in the years ahead Contributors outline how the CES project began and how far it has come assess the quantity and types of data that have been collected and explore the theoretical and methodological developments that have been involved Looking toward the future the book highlights the challenges that lie ahead and provides suggestions for change     *Religion and Canadian Society* Lori G. Beaman,2012 This text offers an outstanding selection of readings that represent an overview of the key issues in the sociology of religion from a uniquely Canadian perspective Masterfully planned and united by clearly articulated themes the second edition moves through three thematic cornerstones contexts identities and strategies Recurring sub themes include the definition of religion the secularization debate the challenge of diversity and the gendered aspects of religious experience Key additions to this edition include a discussion on cultural diversity an exploration of religion and sexuality and a thorough historical overview of religion in Canada     *Sociology in Our Times* Diana Kendall,Jane Lothian Murray,Rick Linden,2000-11-14 Sociology in Our Times Second Canadian Edition is an introductory sociology text designed to excite the interest of students helping them to understand and apply sociological theory to their own lives No other book has been so highly praised for its ability to captivate and draw readers into the real lived experiences of sociology     *The Measure of Canadian Society* John Porter,1987-01-01 Vertical Mosaic In this book are gathered ten of his outstanding essays written over a period of twenty five years Porter s well known ex student Wallace Clement provides the introduction for this volume and Richard Helmes Hayes has compiled an updated bibliography of writings by and about John Porter     *Canadian Society in the Twenty-First Century, Fourth Edition* Trevor W. Harrison,John W. Friesen,2021-03-03 Confederation may have established Canada s nationhood in 1867 but the relationships framing Canada s modern existence go back much further Employing a unique socio historical perspective Canadian Society in the Twenty First Century examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation s economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that

Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada s petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history *Perspectives on the Social Sciences in Canada* Tom N. Guinsberg, Grant L. Reuber, 1974-12-15 The papers included in this volume were originally presented at a conference to commemorate the opening of the Social Science Centre at the University of Western Ontario in 1973 Participants were asked to take stock of the development of their disciplines in Canada to assay the contours of current endeavours and to comment upon avenues of future research Their efforts mark what is believed to be the first collective assessment of the social sciences in Canada The contributors include Nathan Keyfitz on sociology C B Macpherson on political science H G Johnson on economics Ramsay Cook on history and M Rokeach on the place of values in Canadian social science Commentaries on the papers are also included Each author has addressed himself to one or more of the following matters the degree to which the disciplines as practised in Canada are linked to or differentiated from their practice elsewhere the benefits and drawbacks of a nationalistic approach to scholarship in the social sciences the contributions of Canadian scholarship to the study of society in general and Canadian society in particular the interaction among the social sciences in Canada and the need for inter disciplinary studies and the unfulfilled agenda of Canadian social science The assessments thus delineate the peculiar problems of the social sciences in Canada as well as some of the overall problems within and among the disciplines themselves Measuring the Mosaic Rick Helmes-Hayes, 2010-01-28 Measuring the Mosaic is a comprehensive intellectual biography of John Porter 1921 1979 author of *The Vertical Mosaic* 1965 preeminent Canadian sociologist of his time and one of Canada s most celebrated scholars In the first biography of this important figure Rick Helmes Hayes provides a detailed account of Porter s life and an in depth assessment of his extensive writings on class power educational opportunity social mobility and democracy While assessing Porter s place in the historical development of Canadian social science Helmes Hayes also examines the economic social political and scholarly circumstances including the Depression World War II post war reconstruction the baby boom and the growth of universities that contoured Porter s political and academic views Using extensive archival research correspondence and over fifty original interviews with family colleagues and friends Measuring the Mosaic stresses Porter s remarkable contributions as a scholar academic statesman senior administrator at Carleton University and engaged practical public intellectual *Ideological Perspectives on Canada* M. Patricia Marchak, 2011-06-15 Marchak argues that liberalism and socialism have many commonalities such as the goals of equality and freedom for citizens Corporatism however is opposed to equality and promotes an authoritarian hierarchy resembling the older conservative ideology To support her argument Marchak provides a general overview of the study of ideologies analyzes liberalism and

socialism in the context of Canada and uses Marxist theory to explain past and present class structure and the emergence of a corporatist social structure A valuable contribution to the debate about the society we live in Ideological Perspectives on Canada attempts to look at ideologies from an objective standpoint while admitting that analysts can never fully remove themselves from the web of their own society which in the Canadian case is steeped in liberalism socialism and corporatism

**Who's Who of Canadian Women, 1999-2000** Gillian Holmes, 1999-06-01 Who's Who of Canadian Women is a guide to the most powerful and innovative women in Canada Celebrating the talents and achievement of over 3 700 women Who's Who of Canadian Women includes women from all over Canada in all fields including agriculture academia law business politics journalism religion sports and entertainment Each biography includes such information as personal data education career history current employment affiliations interests and honours A special comment section reveals personal thoughts goals and achievements of the profiled individual Entries are indexed by employment of affiliation for easy reference Published every two years Who's Who of Canadian Women selects its biographees on merit alone This collection is an essential resource for all those interested in the achievements of Canadian women *Literary History of Canada* Carl F. Klinck, Alfred G.

Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the *Literary History of Canada* is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane jr Michael S Cross Thomas A Goudge John Webster Grant John H Chapman William E Swinton Henry B Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A Egoff John Ripley William H New George Woodcock and Northrop Frye **A Bibliography of Higher Education in Canada / Bibliographie de**

**L'Enseignement Supérieur au Canada** Robin S. Harris, Arthur Tremblay, 1960-12-15 This bibliography is the first of a series of studies about higher education in Canada sponsored by the committee on the History of Higher Education in Canada established by the National Conference of Canadian Universities Among its nearly 4 000 entries are included the books pamphlets theses dissertations and articles in journals and magazines which supply the context and commentary on the history of Canadian higher education Part I of the Bibliography provides the context our universities do not exist in a vacuum they are part of the economic political religious and social life of the community Part I therefore includes a section on Canadian Culture listing histories of Canada and its provinces of its religious and social institutions of its art its economy racial groups relations with other countries In order to study higher education in relation to other levels of education another

section lists works concerned with educational developments and problems at all levels Part II lists the works bearing directly on higher education in Canada and includes sections on History and Organization Curriculum and Teaching The Professor The Student Entries are arranged in chronological order in all sections in order to present the progressive development of each topic and a full Index enables easy reference by author No distinction has been drawn between English and French language publications Chemistry and Chimie are one subject The relative proportion of English and French entries in a section is often significant as indicating differences in the frequency and importance of particular fields of study in our colleges

The Anthem Companion to Everett Hughes Rick Helmes-Hayes,Marco Santoro,2016-12-01 The Anthem Companion to Everett Hughes is a comprehensive and updated critical discussion of Hughes s contribution to sociology and his current legacy in the social sciences A global team of scholars discusses issues such as the international circulation of Hughes s work his intellectual biography his impact on current ethnographic research practices and the use in current research of such Hughesian concepts as master status dirty work and bastard institutions This companion is a useful reference for students of classical sociology practitioners of ethnographic research and scholars of sociology in the Chicagoan tradition

The ^AOxford Handbook of Pierre Bourdieu Thomas Medvetz,Jeffrey J. Sallaz,2018-04-02 The Oxford Handbook of Pierre Bourdieu examines the legacy of one of the most influential social thinkers of the last half century Taken together these writings offer a comprehensive overview of Bourdieu s biography his main theoretical ideas and his ongoing influence on the social sciences

Ethnic Relations in Canada Raymond Breton,2005-10-13 The introduction by Jeffrey Reitz focuses on the evolution of Breton s distinctive institutional framework which both extends and in some ways alters John Porter s classic analysis in The Vertical Mosaic Reitz shows how Breton s original concept of institutional completeness has been extended to provide a comprehensive framework for the institutional analysis of inter ethnic relations creating a unified theoretical structure that has reshaped the study of inter ethnic relations in Canada and points toward a future research agenda

Politics and Ideology in Canada Michael Ornstein,Michael Stevenson,2003-02-18 Winner of the Harold Adams Innis Prize Politics and Ideology in Canada examines a period of crucial historical change in Canada beginning in the mid 1970s when the crisis of the Keynesian welfare state precipitated a transition to a new political order based on the progressive downsizing of state involvement in the economy and society Using class and ideology as key concepts Michael Ornstein and Michael Stevenson examine this transition in terms of the nature of hegemony and hegemonic crisis and the conditions of political order and instability These concepts guide the interpretation of three large surveys of representative samples of the Canadian public and two unique elite surveys conducted between 1975 and 1981 The surveys cover an exceptionally broad spectrum of political issues including social programs civil and economic rights economic policy foreign ownership labour relations and language issues and sovereignty A wide ranging analysis of public and elite attitudes reveals a hegemonic order through the early 1980s built around public support for the institutions of the Canadian welfare state But

there was also widespread public alienation from politics Public opinion was quite strongly linked to class but not to party politics Regional variation in political ideology on a broad range of issues was less pronounced than differences between Quebec and English Canada Much deeper ideological divisions separated the elites with a dramatic polarization between corporate and labour respondents State elites fell between these two though generally more favourable to capital The responses of the business elites reveal the ideological roots of the Mulroney years in support for cuts in social programs free trade privatization and deregulation
