

The Sociological Perspective

- **Sociology** is the systematic study of human society.
- The sociological perspective helps us to see the general in the particular (Peter Berger 1963).
- It encourages us to realize that society guides our thoughts and deeds.
- Sociology also encourages us to see individuality in the social context.
- The sociological perspective reveals the power of society to shape individual lives
- **C. Wright Mills**: called this POV "the sociological imagination"

Sociology A Global Perspective

FERRANTE

Sociology A Global Perspective:

Sociology Joan Ferrante, 2013 is a brief introduction to sociology paperback text that uses sociological concepts and theories to analyze the most compelling and significant issues of our day which happen to be global. Issues covered include the proposed and existing border fences that separate Mexico from the United States, the disparities between the world's richest and poorest countries, the century long Palestinian Israeli conflict, McDonaldization, and the planet's dependence on fossil fuels. This approach demonstrates sociology's analytical power for thinking about personal, local, national, but especially global issues and events. Publisher: **Sociology** Joan Ferrante, 1992-05. This was the first introductory text to use a truly comparative global approach to teach sociological concepts and ideas. Some texts claim to be global by including global boxes; however, the entire Ferrante text is written from this perspective. Ferrante uses an in-depth examination of life in other countries to help students understand sociological concepts while also providing comparison to the United States. By integrating throughout each chapter the connections to American society, this text gives students a broader understanding of sociological concepts, global interdependence, and societal differences as well as similarities. Sociology Joan Ferrante, 1997. *Sociology: A Global Perspective* Joan Ferrante, 2014-01-01. SOCIOLOGY A GLOBAL PERSPECTIVE Ninth Edition introduces readers to the concepts and theories of sociology, demonstrates how those concepts and theories can be used to think about the most significant and pressing global issues of our day, and uses powerful visual images to illustrate their impact on individuals, local communities, and society. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Sociology: A Global Perspective, Enhanced Joan Ferrante, 2010-01-01. SOCIOLOGY A GLOBAL PERSPECTIVE Enhanced Seventh Edition is a brief introduction to sociology paperback text that uses sociological concepts and theories to analyze the most compelling and significant issues of our day which happen to be global. Issues covered include the proposed and existing border fences that separate Mexico from the United States, the disparities between the world's richest and poorest countries, the century long Palestinian Israeli conflict, McDonaldization, and the planet's dependence on fossil fuels. This approach demonstrates sociology's analytical power for thinking about personal, local, national, but especially global issues and events. The enhanced seventh edition has been substantially updated to reflect the current global economic crisis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Sociology Ferrante, Joan Ferrante-Wallace, 1994-11-01. **Sociology** Joan Ferrante-Wallace, 2013. *Sociology* Joan Ferrante-Wallace, 2006. **Sociology** Alok Kumar Kashyap, 2012. **Aie-Sociology** FERRANTE, 2007-11-01. **Doing Sociology** Rodney Stark, 2002. Written by top notch Sociologist and best selling INTRODUCTION TO SOCIOLOGY author Rodney Stark, this workbook is one of the first published to utilize the Microcase powerful software. This software and workbook package takes a step by step approach to show students how to do real sociological research using the same data and techniques used by

professional researchers *Sociology Global* R Sooryamoorthy,2023-02-14 This book is about sociologies around the world Viewed from a global perspective this research based study examines the world of sociology and its global features and trends Sociology as a discipline has a history of two centuries which has varied between countries Its presence across the world is felt more than ever Over the years sociology has been established as a discipline and contributed to the advancement of knowledge about society through scientific research This facilitated the development of knowledge in other areas and disciplines as well What sociology is doing globally the contributions it has made to the knowledge of society and social phenomena and the direction in which it is moving are of interest to both academics and the public Specifically the book deals with the trends in sociology the broad and general areas of fields subfields and research areas the prominent flourishing emerging and or declining areas of sociology the origin of sociological knowledge geographical regions and countries the characteristics of global sociology in terms of language research methodology disciplinary backgrounds interdisciplinarity and authorship the relationships between the country of affiliation of authors and research areas the effects of gender of the author and its interrelationships with the discipline department research areas and collaboration The book will be an important resource for students teachers practitioners researchers and the public Development and Social Change

Philip McMichael,2000-02-15 The Second Edition of this popular textbook has been conceptually reworked to take account of the instabilities underlying the project of global development While the conceptual framework of viewing development as shifting from a national to a global project remains new issues such as the active engagement in the development project by Third World elites and peoples are considered The first four chapters cover the rise and fall of the development project around the world The next three cover the period of globalization from the mid 1980s onwards The final two chapters rethink globalization and development for the 21st century Throughout extensive use is made of case studies

Development and Social Change Philip McMichael,Heloise Weber,2024-12-17 Development and Social Change explores the historical socio political and ecological aspects of development The Eighth Edition critically engages with the concept of development tracing its roots and examining its implications in the contemporary world Authors Philip McMichael and Heloise Weber use case studies and examples to help describe a complex world in transition Students are encouraged to see global development as a contested historical project By showing how development stems from unequal power relationships between and among peoples and states often with planet threatening environmental outcomes it enables readers to reflect on the possibilities for more just social ecological and political relations **Social Problems in Global**

Perspective Ronald M. Glassman,William H. Swatos, Jr.,Barbara J. Denison,2004-11 The global high tech economy has generated a technological and scientific productive miracle But along with the miracle has come problems This important book provides a detailed account of some of these problems **The Family in Global Perspective** Elaine J. Leeder,2004

The Family in Global Perspective is an exciting new cross cultural text that should be adopted for classroom use in

universities nationwide Elaine Leeder has created a readable interesting textbook for undergraduates that reveals the historical socio cultural and gender realities of family life Real life examples from 42 countries support student understandings of sociological theory and build a comprehensive awareness of family as a way of being for people throughout the world Peter Phillips Sonoma State University I think it would be a great book for a class in Family Studies In the Family Studies field we have come to realize that the family as we see it is not how peoples of the world necessarily see it I think exposing all Family Studies students to this text would greatly enhance their educational development written in very comprehensible language for undergraduates Yvonne M Caldera Ph D Texas Tech University I find the book overall is well done it is very readable for undergraduates the author is good at interweaving interesting research and travel notes with theories and discussions about families in a global perspective in various places The style is refreshing particularly enticing for undergraduate readers Heying Jenny Zahn Georgia State University The book is rather unique in the sense that there are few works that place the U S family within a larger global framework The comparisons that are made across societies serve to enhance understanding of family patterns in the United States I also should mention that the book is well written and in an interesting way too It successfully combines important academic material with a thought provoking style of presentation Sharon K Houseknecht Ohio State University What is a family In the context of biology the answer may be fairly simple However in the social context the family is a far more complex form with a meaning that is multilayered The Family in Global Perspective A Gendered Journey examines the continually changing face of family life in the United States and from culture to culture Written in an engaging style the book provides a global viewpoint about family issues enabling readers to think critically about family life in cultures beyond their own In The Family in Global Perspective author Elaine Leeder uses various historical theoretical and comparative perspectives to develop a cross cultural understanding of family life The book examines a variety of family lives in western countries and contrasts them with those of families in parts of Africa Asia and Latin America After comparing the history of the family in various parts of the globe the author then looks at the impact of globalization on family structures gendered behavior intergenerational relationships relationship dissolution race ethnicity and class issues violence and social policy Features of this text Expresses a feminist view of family life and includes case examples from the author's own experiences visiting and studying families in 42 countries Organized topically rather than by country or culture to facilitate instruction on a particular component of family life Pedagogical features such as an accessible format chapter introductions vignettes and photos highlighted key terms and chapter summaries enhance students understanding The Family in Global Perspective is an ideal supplementary textbook for courses on marriage and the family in a variety of disciplines including Family Studies Sociology Social Work Psychology and Women's Studies

Global Perspectives on Women in Combat Sports Christopher R. Matthews, Alex Channon, 2016-04-29 This volume offers a wide reaching overview of current academic research on women's participation in combat sports within a range of different

national and trans national contexts detailing many of the struggles and opportunities experienced by women at various levels of engagement within sports such as boxing wrestling and mixed martial arts *The Role of the Scholarly Disciplines in Enhancing Global Perspectives* Richard D. Lambert, Landrum R. Bolling, 1980-01-01 *Taiwan's Modernization in Global Perspective* Peter C. Chow, 2002-10-30 In five decades Taiwan has shifted from an authoritarian regime to a multi party democracy has moved steadily toward modernization and has become an economically affluent socially pluralistic society Its experience provides valuable lessons for developing countries This book offers a critical assessment of Taiwan s path to modernization focusing particularly on developments of constitutional democracy and the rule of law democratic transition and consolidation internationalization and globalization and social developments From its market economy to its democratization Taiwan provides a valuable case study On social developments it provides a unique model of demographic transition rising women s social status and the emergence of the nuclear family In eighteen chapters written by prominent scholars this book examines the multiple aspects of Taiwan s modernization in a global perspective **Third World Cities In Global Perspective** David Smith, 2019-05-20 In this innovative book David Smith ultimately links what happens on the ground in the neighbourhoods where people live to the larger political and economic forces at work putting these connections in a historical framework and using a case study approach The societies of the world s underdeveloped countries are now undergoing an urban revolutio
