The authors, reviewers, and the entire team worked to build understanding of the causes and impacts of discrimination and prejudice. *Introduction to Sociology 3e* contains dozens of examples of discrimination and its outcomes regarding social science, society, institutions, and individuals. The text seeks to strike a balance between confronting the damaging aspects of our culture and history and celebrating those who have driven change and overcome challenges. The core discussion of these topics are present in Chapter 11 on Race and Ethnicity and Chapter 12 on Gender, Sex, and Sexuality, but their causes and effects are extensively discussed in the context of other topics, including education, law, enforcement, government, healthcare, the economy, and so on.
