Studies In Iconography Volume 16 1994

William C. McDonald

Studies In Iconography Volume 16 1994:

Art and Violence in Early Renaissance Florence Scott Nethersole, 2018-07-17 This study is the first to examine the relationship between art and violence in 15th century Florence exposing the underbelly of a period more often celebrated for enlightened and progressive ideas Renaissance Florentines were constantly subjected to the sight of violence whether in carefully staged rituals of execution or images of the suffering inflicted on Christ There was nothing new in this culture of pain unlike the aesthetic of violence that developed towards the end of the 15th century It emerged in the work of artists such as Piero di Cosimo Bertoldo di Giovanni Antonio del Pollaiuolo and the young Michelangelo Inspired by the art of antiquity they painted engraved and sculpted images of deadly battles ultimately normalizing representations of brutal violence Drawing on work in social and literary history as well as art history Scott Nethersole sheds light on the relationship between these Renaissance images violence and ideas of artistic invention and authorship [Fifteenth-Century Studies Vol. 24](#)

William C. McDonald, 1998-09 15th c adaptations of Chr tien de Troyes the use of motifs and standard features including current state of research and book review section Setting the tone for volume 24 is a trio of articles on 15th century French adaptations of Chr tien de Troyes s Arthurian romances Norris Lacy examines adaptation and reception in Clig s Jane Taylor writes on the importance of cultural details to reception studies of both Erec and Clig s and Maria Timelli on structural aspects of Erec Other studies of romance include MaryLynn Saul s article on courtly love and patriarchal marriage institutions in Malory and Anne Caillaud s piece on gender conventions of courtly love as a vehicle for misogyny in Antoine de la Sale s Petit Jehan de Saintre Hans Joachim Behr deals with an adaptation of the 12th century historical figure of Heinrich von der L we in his article on the poetic work of Michel Wyssenherre Roxana Recio s article on Spanish amplifications and glosses draws connections between translation reception and interpretation Moving from romance to legend Peter De Wilde in his article on the legendary matter of St Patrick s journeys to Purgatory relates a 15th century account of one Englishman s visionary pilgrimage to that destination A second area of concentration in the volume is the thematic and structural use of motifs Rainer Goetz discusses archery in Spanish poetry of love and death Georg Roellenbleck courtly pastimes and the term *passe temps* in French poetry James Wilkins focuses on the body as currency in French passion plays Kristine Patz moves into art history examining the importance of the Pythagorean ypsilon in the work of the Italian painter Mantegna Dealing with the turn to Renaissance humanism are articles by Grady Smith on the short literary career and Latin dramas of Titus Livius Frulovisi and by Christiane Raynaudon humanism and good government in the Latin *Romuleon* Franco Mormando investigates a darker moment the 1426 witch trial in Rome and the role of Bernardino of Siena as its instigator and chronicler Rouben Choulakian writes on the poetry of Charles d Orlan

Gender and Holiness Sam Riches, Sarah Salih, 2005-07-05 This collection brings together two flourishing areas of medieval scholarship gender and religion It examines gender specific religious practices and contends that the pursuit of holiness can destabilise binary gender itself

Though saints may be classified as masculine or feminine holiness may also cut across gender divisions and demand a break from normally gendered behaviour This work of interdisciplinary cultural history includes contributions from historians art historians and literary critics and will be of interest not only to medievalists but also to students of religion and gender in any period **Scholars of Early Modern Studies**, 1996 *Versions of Virginity in Late Medieval England* Sarah Salih, 2001 This study looks at the question of what it meant to be a virgin in the Middle Ages and the forms which female virginity took It begins with the assumptions that there is more to virginity than sexual inexperience and that virginity may be considered as a gendered identity "Death, Torture and the Broken Body in European Art, 1300-1650" John R. Decker, 2017-07-05 Bodies mangled limbs broken skin flayed blood spilled from paintings to prints to small sculptures the art of the late Middle Ages and early modern period gave rise to disturbing scenes of violence Many of these torture scenes recall Christ's Passion and its aftermath but the martyrdoms of saints stories of justice visited on the wicked and broadsheet reports of the atrocities of war provided fertile ground for scenes of the body's desecration Contributors to this volume interpret pain suffering and the desecration of the human form not simply as the passing fancies of a cadre of proto sadists but also as serving larger social functions within European society Taking advantage of the frameworks established by scholars such as Samuel Edgerton Mitchell Merback and Elaine Scarry to name but a few *Death Torture and the Broken Body in European Art 1300-1650* provides an intriguing set of lenses through which to view such imagery and locate it within its wider social political and devotional contexts Though the art works discussed are centuries old the topics of the essays resonate today as twenty first century Western society is still absorbed in thorny debates about the ethics and consequences of the use of force coercion including torture and execution and about whether it is ever fully acceptable to write social norms on the bodies of those who will not conform *A Companion to Middle English Hagiography* Sarah Salih, 2006 The saints were the superheroes and the celebrities of medieval England bridging the gap between heaven and earth the living and the dead A vast body of literature evolved during the middle ages to ensure that everyone from kings to peasants knew the stories of the lives deaths and afterlives of the saints However despite its popularity and ubiquity the genre of the Saint's Life has until recently been little studied This collection introduces the canon of Middle English hagiography places it in the context of the cults of saints analyses key themes within hagiographic narrative including gender power violence and history and finally shows how hagiographic themes survived the Reformation Overall it offers both information for those coming to the genre for the first time and points forward to new trends in research Dr SARAH SALIH is a Lecturer in English at the University of East Anglia Contributors SAMANTHA RICHES MARY BETH LONG CLAIRE M WATERS ROBERT MILLS ANKE BERNAU KATHERINE J LEWIS MATTHEW WOODCOCK *Visualizing Women in the Middle Ages* Madeline Harrison Caviness, 2001 For Caviness an awareness of historical context places pressure upon contemporary theories like that of the male gaze changing their shapes and creating even richer dialogues with the past **BOOK JACKET** **A Cultural History of Women in**

the Middle Ages Kim M. Phillips, 2015-04-02 The medieval era has been described as the Age of Chivalry and the Age of Faith but also as the Dark Ages Medieval women have often been viewed as subject to a punishing misogyny which limited their legal rights and economic activities but some scholars have claimed they enjoyed a rough and ready equality with men The contrasting figures of Eve and the Virgin Mary loom over historians interpretations of the period 1000 1500 Yet a wealth of recent historiography goes behind these conventional motifs showing how medieval women s lives were shaped by status age life stage geography and religion as well as by gender A Cultural History of Women in the Middle Ages presents essays on medieval women s life cycle bodies and sexuality religion and popular beliefs medicine and disease public and private realms education and work power and artistic representation to illustrate the diversity of medieval women s lives and constructions of femininity *Spectrum of Desire: Love, Sex, and Gender in the Middle Ages* Melanie Holcomb, Nancy Thebaut, 2025-10-16 This pioneering volume explores concepts of gender sexuality and love as portrayed in sculptures paintings manuscripts and personal items to reveal the hidden sexuality and sensuality of medieval art Using the critical approach known as queer theory which offers a way to think more expansively about the past the book interrogates aspects art and culture of the Middle Ages that are often overlooked such as nonconformist sexual practices gender variance and power plays within human and divine relationships Focused essays on topics and motifs such as the erotics of Saint Sebastian transgender expression and the underside of courtly love propose new readings of beloved masterpieces Featuring more than 40 works of art from the fourteenth to the sixteenth century this volume not only encourages readers to reflect on the ways that sex gender and relationships structured medieval lives and identities but also prompts contemplation of how such attitudes affect our understanding of these subjects in the present day

Reviewing **Studies In Iconography Volume 16 1994**: Unlocking the Spellbinding Force of Linguistics

Studies In Iconography Volume 16 1994 Introduction

In today's digital age, the availability of Studies In Iconography Volume 16 1994 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Studies In Iconography Volume 16 1994 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Studies In Iconography Volume 16 1994 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Studies In Iconography Volume 16 1994 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Studies In Iconography Volume 16 1994 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Studies In Iconography Volume 16 1994 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Studies In Iconography Volume 16 1994 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Studies In Iconography Volume 16 1994 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Studies In Iconography Volume 16 1994 books and manuals for download and embark on your journey of knowledge?

FAQs About Studies In Iconography Volume 16 1994 Books

1. Where can I buy Studies In Iconography Volume 16 1994 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
