Viljoen, 2023-01-24 The essays in this volume examine the nature and extent of disease on indigenous communities and local populations located within the vast regions of the Indian and Pacific Oceans as a result of colonial sea power and colonial conquest While this established a long term impact of disease on populations the essays also offer insights into the dynamics of these populations in resisting colonial intrusions and introduction of disease to newly acquired territories **Finance**

and Trade in Africa A. Geda, 2002-05-21 What constraints do history and the global economy place upon Africa's economic development To answer this question Alemayehu Geda offers a new study of international finance and trade in Africa using a global macro model focused on the region A unique study of the African continent this book offers development economists and policymakers an innovative alternative to the IMF and World Bank's framework for national development strategy

Water Giulio Boccaletti, 2022-10-18 Spanning millennia and continents a revealing history that tackles the most important story of our time our relationship with water in a world of looming scarcity Kelly McEvers NPR Host Far more than a biography of its nominal subject The book stands as a compelling history of civilization itself The Wall Street Journal Book Review Writing with authority and brio Giulio Boccaletti honorary research associate at the Smith School of Enterprise and the Environment University of Oxford shrewdly combines environmental and social history beginning with the earliest civilizations of sedentary farmers on the banks of the Nile the Tigris and the Euphrates Rivers Even as he describes how these societies were made possible by sea level changes from the last glacial melt he incisively examines how this type of farming led to irrigation and multiple cropping which in turn led to a population explosion and labor specialization We see with clarity how irrigation's structure informed social structure inventions such as the calendar sprung from agricultural necessity how in ancient Greece the communal ownership of wells laid the groundwork for democracy how the Greek and Roman experiences with water security resulted in systems of taxation and how the modern world as we know it began with a legal framework for the development of water infrastructure Extraordinary for its monumental scope and piercing insightfulness Water A Biography richly enlarges our understanding of our relationship to and fundamental reliance on the most elemental substance on earth *A History of Postcolonial Lusophone Africa* Patrick Chabal, David Birmingham, 2002-06-13 useful

timely and important a good and informative book on the Lusophone countries Portuguese colonialism and postcolonial influences Phyllis Martin Indiana University This book produced by the obvious and distinguished corps of country specialists fills a real gap in both state level and regional broadly defined studies of contemporary Africa Norrie MacQueen University of Dundee Although the five Portuguese speaking countries in Africa that gained independence in 1974-75 Angola Mozambique Guinea Bissau Cape Verde and S o Tom e Pr ncipe differ from each other in many ways they share a history of Portuguese

rule going back to the 15th century which has left a mark to this day Patrick Chabal and his co authors assess the nature of the Portuguese legacy using a twofold approach In Part I three analytical thematic chapters by Chabal examine what the five countries have in common and how they differ from the rest of Africa In Part II individual chapters by leading specialists each devoted to a specific country survey the histories of those countries since independence The book places the postcolonial experience of the Lusophone countries within the context of their precolonial and colonial past and compares and contrasts their experience with that of non Lusophone African states The result is a comprehensive readable and up to date text and reference work on the evolution of postcolonial Portuguese speaking Africa Corruption and Development in Africa K. Hope, B. Chikulo, 1999-08-18 Bringing together a distinguished cast of contributors the book provides an authoritative and definitive analysis of the theory practice and development impact of corruption in Africa Combating corruption is demonstrated to require greater priority in the quest for African development
