Studies In The Tantras And The Veda

Louise M. Finn

Studies In The Tantras And The Veda:

Studies in the Tantras and the Veda Madhav Pundalik Pandit, 1973 **Studies on the Tantras**, 1989 **Studies on Tantra in Bengal and Eastern India** Madhu Khanna, 2023-02-20 This book explores the tantric concept of Shakti or the principal female cosmic entity and her pilgrimage sites It offers a first hand view of the multidimensional ways in which Shakti asserted its supremacy over existing Vaishnava and orthodox Brahmanical traditions in post mediaeval Bengal and India The interdisciplinary chapters pave the way to understanding the intra textual relationships between philosophical and conceptual ideas in literary texts and their oral transmission Divided into three thematic sections Cult Inclusiveness akti Pithas and the kta Philosophy the book invites readers to explore a contested area of scholarship from unique perspectives offering rich insights into the nature of negotiations between diverse religious streams It also urges readers to examine the many innovative approaches and theoretical models on the goddess culture of East India The book is of interest to students and scholars of religious textual studies anthropology pilgrimage studies comparative religion Sanskrit and Bengali languages regional studies South Asian cultures goddess traditions and cultural history of mediaeval Bengal *The Kulacūḍāmaṇi Tantra and the Vāmakeśvara Tantra. With the Jayaratha Commentary* Louise M. Finn, 1986-01-01 Both tantras relate to the cult of the Indian Mother Goddess and are translated from the original Sanskrit texts They appear to date from the 9th to 11th century AD and are important source material for the study of the Goddess in Hinduism The The Kulac ma i Tantra is a manual that describes with candour sexual and magical rituals for which the Goddess cult became notorious The V make vara Tantra deals with similar ritual procedures but its 13th century commentary by Jayaratha emphasizes the philosophical tenor of the text Together the two texts cover a wide range of Shakta thought and practice The translations are comprehensively annotated and are preceded by introductions which place the texts in their historical context suggest likely dates of composition and discuss in outline the philosophy of Shaktism Philosophic terms specific to the texts are explained in detail The translations should appeal to students of Hindu religious cults and to all those interested in comparative religion *Sri Aurobindo and His Yoga* M. P. Pandit, 1987 Sri Pandit gives us an overview of Sri Aurobindo s life his writings and his Integral Yoga In doing so he takes time to introduce the major principles of yoga and relates in a simple yet dynamic form the path open to the seekers of spiritual perfection *Studies in Saiva-Siddhanta* J. M. Nallaswami Pillai, 1911 *A Companion to Sanskrit Literature* Sures Chandra Banerji, 1989 In course of his studies in Sanskrit literature and research relating to various aspects of it the author of the present work often felt the need of a vade mecum containing brief accounts of authors and works information about the principal characters of Sanskrit plays poems and prose works the meaning of certain technical terms in common use the common geographical names and the notable myths and legends A Companion to Sanskrit Literature the first work of its kind covers a period of nearly 3500 years from the Vedic age down to the modern times It seeks to acquaint the reader within a brief compass with the contents of outstanding works and authors in Sanskrit literature

followed by up to date bibliographies Brief accounts of the important character in well known poems dramas and prose works have also been given Important geographical names with their modern identification as far as practicable have also been laid down Common technical terms used in the different branches of Sanskrit literature have been briefly explained Prominent figures in myths and legends have been dealt with In a number of appendices various kinds of useful information about Sanskrit literature including sciences sports and pastimes etc in ancient and medieval India have been set forth It is an indispensable vade mecum for the general readers the specialists and researchers It is like a capsule taking the reader through the vast firmament of Sanskrit literature up to remote ages Amazon com

Reflections on the Tantras Sudhakar Chattopadhyaya,1978 The brochure touches upon all the principal precepts of Tantra especially the esoteric practices an account of the Sakta pithas has also been given in the background of the ethnological divisions of India New light has been thrown on the origin of bija mantra and gayatri occurring in Tantric works The study may be regarded as a new one since scientific discussion of Tantricism has not yet progressed so far satisfactorily especially from the point of view of the Tantrics themselves

Historical Studies in the Cult of the Goddess Manasā Pradyot Kumar Maity,1966 This Is A Through And Critical Study Of The Cult Of The Goddess Manasa A Study Which Throws Valuable Light On Some Features Of The Socio Cultural History Of The Country The Introduction Deals With The Nature Importance And Scope Of The Subject Sources Are Also Discussed

Renowned Goddess of Desire Loriliai Biernacki,2007-10-11 Tantra is a family of rituals modeled on those of the Vedas and their attendant texts and lineages These rituals typically involve the visualization of a deity offerings and the chanting of his or her mantra Common variations include visualizing the deity in the act of sexual union with a consort visualizing oneself as the deity and transgressive acts such as token consumption of meat or alcohol Most notoriously non standard or ritualized sex is sometimes practiced This accounts for Tantra s negative reputation in some quarters and its reception in the West primarily as a collection of sexual practices Although some today extol Tantra s liberating qualities the role of women remains controversial Traditionally there are two views of women and Tantra Either the feminine is a metaphor and actual women are altogether absent or Tantra involves the transgressive use of women s bodies to serve male interests Loriliai Biernacki presents an alternative view in which women are revered worshipped and considered worthy of spiritual attainment Her primary sources are a collection of eight relatively modern Tantric texts written in Sanskrit from the 15th through the 18th century Her analysis of these texts reveals a view of women that is generally positive and empowering She focuses on four topics 1 the Kali Practice in which women appear not only as objects of reverence but as practitioners and gurus 2 the Tantric sex rite especially in the case that contrary to other Tantric texts the preference is for wives as ritual consorts 3 feminine language and the gendered implications of mantra and 4 images of male violence towards women in tantric myths Biernacki by choosing to analyse eight particular Sanskrit texts argues that within the tradition of Tantra there exists a representation of women in which the female is an authoritative powerful equal participant in the Tantric ritual

practice

If you ally compulsion such a referred **Studies In The Tantras And The Veda** book that will find the money for you worth, acquire the unconditionally best seller from us currently from several preferred authors.
