Studies On The Hasmonean Period Studies In Judaism In Late Antiquity Vol 39:

Messiahs and Messianic Movements through 1899 Roland H. Worth, Jr., 2010-06-28 A messiah is an individual appointed by God to a specific task of importance and elevated to a level of far greater authority than a prophet by leading or claiming to lead a group or movement The movement comes to be uniquely centered on his or her teachings and the messiah claims spiritual and temporal authority over its followers This book is an examination of both males and females in the Judeo Christian heritage excluding Jesus of Nazareth who either claimed to be the messiah were viewed by contemporaries as such or are considered by a significant number of scholars to have been motivated by messianic goals The work is arranged chronologically with details about messiahs from before Christ through the dawn of the technological age at the end of the nineteenth century It covers nearly 100 individual messiahs including such Old Testament figures as King Hezekiah and Herod the Great as well as later messiahs both obscure and historically renowned even Queen Elizabeth I and King Charles I were touted as messiahs by certain devoted followers Meticulously researched the book includes an extensive bibliography

Ancient Jewish Historians and the German Reich Daniel R. Schwartz, 2024-04-01 Apart from an opening survey of modern study of ancient Jewish history which emphasizes the foundational role of German Jewish scholars the studies united in this volume apply philological methods to the writings of four of them Heinrich Graetz Isaak Heinemann Elias Bickerman and Abraham Schalit In each case it is argued that some seemingly trivial anomaly or infelicity in a publication about such ancient characters as Antiochus Epiphanes Herod and Josephus points to the way in which the historian constructed and revised his understanding of the Jews situation under Greeks or Romans in light of his perception of the Jews situation under the Second or Third Reich The collection also includes a study that focuses on a Jewish medievalist Philipp Jaff and unravels the indirect but inexorable process that led from a scholarly feud about the editing of medieval Latin texts in the 1860s to the Berlin Antisemitism Dispute Berliner Antisemitismusstreit of 1879 1881 which is commonly viewed as the opening act of modern German antisemitism
