Studies In Chinese Folklore And Related Essays:

Studies in Chinese Folklore and Related Essays Wolfram Eberhard, 1970 Studies in Chinese Folklore and Related Essays Frank Edward Bernard, 1970 **Studies in Chinese Folklore and Related Essays**, 1970 *Studies in Chinese Folklore and Related Essays* Wolfram Eberhard, 1970 **The Indiana Companion to Traditional Chinese Literature** William H. Nienhauser, 1986 A veritable feast of concise useful reliable and up to date information all prepared by top scholars in the field Nienhauser's now two volume title stands alone as THE standard reference work for the study of traditional Chinese literature Nothing like it has ever been published Choice The second volume to The Indiana Companion to Traditional Chinese Literature is both a supplement and an update to the original volume Volume II includes over 60 new entries on famous writers works and genres of traditional Chinese literature followed by an extensive bibliographic update 1985 1997 of editions translations and studies primarily in English Chinese Japanese French and German for the 500 entries of Volume I **Encyclopedia of Historians and Historical Writing** Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **The Market and Temple Fairs of Rural China** Gene Cooper, 2013-02-01 During the early communist period of the 1950s temple fairs in China were both suppressed and secularized Temples were closed down by the secular regime and their activities classified as feudal superstition and this process only intensified during the Cultural Revolution when even the surviving secular fairs devoted exclusively to trade with no religious content of any kind were suppressed However once China embarked on its path of free market reform and openness secular commodity exchange fairs were again authorized and sometimes encouraged in the name of political economy as a means of stimulating rural commodity circulation and commerce This book reveals how once these secular temple less temple fairs were in place they came to serve not only as venues for the proliferation of a great variety of popular cultural performance genres but also as sites where a revival or recycling of popular religious symbols already underway in many parts of China found familiar and fertile ground in which to spread Taking this shift in the Chinese state's attitudes and policy towards temple fairs as its starting point The Market and Temple Fairs of Rural China shows how state led economic reforms in the early 1980s created a revival in secular commodity exchange fairs which were granted both the geographic and metaphoric space to function In turn this book presents a comprehensive analysis of the temple fair phenomenon

examining its economic popular cultural popular religious and political dimensions and demonstrates the multifaceted significance of the fairs which have played a crucial role in expanding the boundaries of contemporary acceptable popular discourse and expression Based upon extensive fieldwork this unique book will be of great interest to students and scholars of Chinese religion Chinese culture Chinese history and anthropology The Market and Temple Fairs of Rural China Eugene Cooper, 2012 During the early communist period of the 1950s temple fairs in China were suppressed however once China embarked on its path of free market reform secular commodity exchange fairs were again authorized and sometimes encouraged as a means of stimulating rural commerce This book reveals how once these secular temple less temple fairs were in place they came to serve not only as venues for the proliferation of popular cultural performance genres but also as sites for the revival of popular religious symbols Examining its economic popular cultural popular religious and political dimensions this book presents a comprehensive analysis of the temple fair phenomenon **Rats, Cats, Rogues, and**

Heroes Robert J. Antony, 2023-01-09 History has many untold stories In Rats Cats Rogues and Heroes the author provides glimpses into China's hidden past through the native's point of view Rather than simply writing about ordinary people this book is written from the perspective of ordinary people how they told their own stories about themselves their communities and their pasts The author examines historical consciousness as revealed in people's everyday lives and as expressed through customary rituals sociocultural conventions language and the complex symbolism of common human experiences The focus is on ethnic groups and individuals who have been routinely discriminated against in mainstream society and treated by officials as rogues and criminals They were denizens of the underworld of rivers and lakes jianghu a sociocultural category that includes bandits sorcerers common and prostitutes To get at their silent history the author spent decades conducting field research in rural areas of southern China collecting rarely used unconventional sources folklore legends myths rumors and hearsay that reveal nuggets of new information and insights not found in the conventional sources in libraries and archives This book challenges many commonplace assumptions about how academics write history by offering alternative possibilities for China's past The Immortal Maiden Equal to Heaven and Other Precious Scrolls from Western Gansu Wilt

L. Idema, 2015-09-28 Following thirty years of suppression as feudal superstition Chinese popular religion has made a spectacular comeback since the 1980s One aspect of this phenomenon has been the return of precious scrolls as ritual and entertainment in several regions of China most notably the economically advanced Wu dialect area and the poor countryside of Western Gansu As these texts were performed once again they have been collected edited and published as part of China's Intangible Cultural Heritage These materials greatly broaden and deepen our knowledge of popular literature ritual and religion and open a new window into the values and customs of local society The texts also offer unique insights into the history of the region as seen through the eyes of the local population who had to confront the harsh environment and frequent incursions of nomadic groups Given the wealth of knowledge to be gained it is not surprising that these materials

are attracting the growing attention of scholars The Immortal Maiden Equal to Heaven and Other Precious Scrolls from Western Gansu by eminent Sinologist Wilt Idema is thus a significant foray into the area This unprecedented book provides complete and annotated translations of six precious scrolls that have never before been translated An insightful and helpful introduction precedes each translation The study includes a general survey of the development origin context and popularity of the narrative and concludes with a discussion of available modern editions

Immerse yourself in the artistry of words with Crafted by is expressive creation, Immerse Yourself in **Studies In Chinese Folklore And Related Essays** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
