Studies In International Mediation Essays In Honour Of Jeffrey Z Rubin:

Multiparty Mediation in Violent Conflict Tetsuro Iji, 2019-09-11 This book presents a conceptual and empirical analysis of the UN led multiparty mediation in the Tajikistan conflict Multiparty mediation has been a significant research topic of international conflict management since the 1990s but in depth case studies on the peacemaking dynamics of violent conflicts are rare particularly in regard to third party roles This volume addresses that gap in the literature by examining the multiparty mediation of the Tajikistan conflict a largely forgotten but notably successful case of UN orchestrated peacemaking in the post Cold War era It argues that several interrelated factors contributed to the success of the Tajik multiparty mediation Russia Iran and other major interveners shared a common interest and reached a broad consensus on the terms of settlement the UN was widely accepted as a lead coordinator by other mediators and succeeded in constructively engaging with them as a consequence there arose positive interconnections between different third party roles The book presents an analytical framework for understanding the complex interplay of these factors not only to evaluate the Tajik case but also to help clarify policy implications for multiparty mediation in other cases of violent conflict particularly civil wars This book will be of much interest to students of conflict resolution civil wars international mediation the UN Central Asian politics and International Relations Louis Kriesberg: Pioneer in Peace and Constructive Conflict Resolution

Studies Louis Kriesberg, 2016-07-06 On the occasion of his 90th birthday Louis Kriesberg provides an informative account of his career tracing the trajectory of his discoveries contributions and stumbles as he sought to help the advance toward a more sustainable and just peace in the world His work contributes to ideas and practices in several areas of conflict studies notably intractable conflicts and their transformation reconciliation conflict analysis and waging conflicts constructively Although neither an autobiography nor a memoir he embeds the course of his work in the context of historical events and in the evolving fields of peace studies and conflict resolution In addition he discusses the interaction of those fields with major conflicts The book includes seven previously published exemplary pieces on these and other topics a comprehensive list of his publications and several photos A discussion of Kriesberg's work and its significance is provided by George A Lopez Professor of Peace Studies University of Notre Dame **Handbook on the Politics of Small States** Godfrey Baldacchino, Anders Wivel, 2020-03-28 Comprehensive and timely this Handbook identifies the key characteristics challenges and opportunities involved in the politics of small states across the globe today Acknowledging the historical legacies behind these states the chapters unpack the costs and benefits of different political models for small states

Peaceful Intervention in Intra-State Conflicts Chanaka Talpahewa, 2016-03-03 Have we reached an end to the era of peaceful third party intervention in conflict management and resolution In the 1990s with the ending of the Cold War the intervention of third parties as a non violent means of negotiating settlements of intra state conflicts gained prominence but the emphasis in the twenty first century has been increasingly on military responses Peaceful Intervention in Intra State

Conflicts Norwegian Involvement in the Sri Lankan Peace Process is an in depth impartial discussion on the background decision making processes and procedures and related actions in the Norwegian facilitated peace process in Sri Lanka that gradually shifted towards a military solution It provides the reader with evidence based comprehensive analysis on the attempts of peaceful third party intervention in a complex ethno separatist intra state conflict

The Political Economy of Peacemaking Achim Wennmann,2010-12-14 This book focuses on the economic dimensions of peace processes and examines the opportunities and constraints for assisting negotiated exits out of conflict Various works have addressed the economic characteristics and consequences of armed conflicts over the past two decades including issues such as blood diamonds natural resource wars economically motivated armed violence self financing conflict or the complicity of companies and state elites in conflict economies However rather than treating these issues as obstacles for peace this book explores whether they can be opportunities for peacemaking by adopting a political economy perspective The book looks at income sharing from natural resources as an opportunity for forward looking peacemaking strategies and the implications of deal making in situations in which war economies and insecurity provide strongmen with disproportionate political and economic power The book also highlights that peace processes are not necessarily about the rectification of a conflict s root causes but rather about what matters most to the main stakeholders at the moment when a peace process starts taking shape Finally efforts to establish a lasting peace need to go beyond the traditional set of actors associated with peace processes The strategic involvement of donor agencies companies and diaspora communities can strengthen forward looking peace processes The book will help both student and practitioner audiences to better understand armed conflicts and their belligerents optimize the planning and management of peace initiatives and shape expectations in peace agreements It will be of much interest to students of peacebuilding conflict studies development studies International Political Economy and International Relations in general

Peacemaking Susan Allen Nan,Zachariah Cherian Mampilly,Andrea Bartoli,2011-11-10 In a world where conflict is never ending this thoughtful compilation fosters a new appreciation of the art of peacemaking as it is understood and practiced in a variety of contemporary settings Peacemaking From Practice to Theory is about seeing knowing and learning peacemaking as it exists in the real world Built on the premise that peacemaking is among the most elemental of human experiences this seminal work emphasizes the importance of practice and lived experiences in understanding the process and learning what works to nurture peace To appropriately reflect the diversity of peacemaking practices challenges and innovations these two volumes bring together many authors and viewpoints The first volume consists of two sections Peacemaking in Practice and Towards an Inclusive Peacemaking the second of two additional sections New Directions in Peacemaking and Interpreting Peacemaking As the title states the work moves peacemaking beyond mere theory showcasing peacemaking efforts produced recorded recognized and understood by a variety of individuals and institutions In doing so it refocuses the study of peacemaking and guides readers to a systematic

understanding and appreciation of the practices of peacemakers around the globe *Constructive Conflicts* Louis Kriesberg, Bruce W.
