Studies in the Four Gospels George Campbell Morgan, 1931 **Studies in the Fourth Gospel** Leon

Morris, 2006-06-01 These in depth studies on the Gospel of John written by the man who describes himself as a conservative evangelical demonstrate that the application of the critical method to an understanding of scripture need not rule out an acceptance of inspiration Dr Morris is here concerned with the authorship of the fourth Gospel its relation to the Synoptists the origin and date of writing and with other similar issues To his discussion of these issues he brings both his impressive scholarship and firm commitment to the revelatory nature of the Bible The result is an informed and articulate statement of the conservative position on the many crucial questions raised by John s Gospel In his Preface to this volume Dr Morris notes that Critical Protestant scholars and Roman Catholics are reading one another s works and discussing one another s writings with charity and mutual profit Perhaps it is not too much to hope that both will include the conservative evangelicals within the scope of their reading and charity In the hope that it will make some small contribution to the continuing dialogue this book goes forth **Studies in the Four Gospels** William Gallogly Moorehead, 1907 *Studies in the Four Gospels* Herbert Sumner Miller, 1940 *Studies in the Four Gospels (Classic Reprint)* William G.
