The Study and Writing of Poetry Wauneta Hackleman, 1983 **American Women Writers, Poetics, and the Nature of Gender Study** Maryann Pasda DiEdwardo, 2016-12-14 This volume studies processes of creating voices of the past to analyze and to juxtapose discussing the nature of the educational community viewed through feminist theory to reveal hidden ideas surrounding stereotypes gender status and power in the postcolonial era The contributions brought together here explore the various facets of language to focus on metaphorical grammatical constructions unique and specific with form and function They interpret various works to capture the essence of style as well as rhetorical function of basic structure of grammar diction and syntax in a literary work as message and meaning Furthermore the book also discusses useful pedagogical and theoretical processes used by the literary scholar concerning the power of writing for cultural change As such the book will appeal to those who wish to heal through writing The proceeds of the book support the authors local soup kitchen and crisis centers for domestic abuse **Anthology of Magazine Verse and Yearbook of American Poetry**, 1985

Recursive Desire Jeremy M. Downes, 2014-11-20 Recursive Desire rereads the epic tradition and specific epic poems in ways that challenge traditional notions of the genre and highlights its vital shifting polyvocal array and disarray of textual forces **The Routledge Companion to Romantic Women Writers** Ann R. Hawkins, Catherine S. Blackwell, E. Leigh Bonds, 2022-12-30 The Routledge Companion to Romantic Women Writers overviews critical reception for Romantic women writers from their earliest periodical reviews through the most current scholarship and directs users to avenues of future research It is divided into two parts The first section offers topical discussions on the status of provincial poets on women s engagement in children s literature the relation of women writers to their religious backgrounds the historical backgrounds to women s orientalism and their engagement in debates on slavery and abolition The second part surveys the life and careers of individual women some 47 in all with sections for biography biographical resources works modern editions archival holdings critical reception and avenues for further research The final sections of each essay offer further guidance for researchers including Signatures under which the author published and a List of Works accompanied whenever possible with contemporary prices and publishing formats To facilitate research a robust Works Cited includes all texts mentioned or quoted in the essay **A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

Lyric Interventions Linda A. Kinnahan, 2005-05 Lyric Interventions explores linguistically innovative poetry by contemporary women in North America and Britain whose experiments give rise to fresh feminist readings of the lyric subject The works discussed by Linda Kinnahan explore the lyric subject in relation to the social and I as a product of social discourse and as a conduit for change Contributing to discussions of language oriented poetics through its focus on women writers and feminist perspectives this study of lyric experimentation brings attention to the cultural contexts of nation gender and race as they significantly shift the terms by which the experimental is produced defined and understood This study focuses upon lyric intervention in distinct but related spheres as they link public and ideological norms of identity Firstly lyric innovations with visual and spatial realms of cultural practice and meaning particularly as they naturalize ideologies of gender and race in North America and the post colonial legacies of the Caribbean are investigated in the works of Barbara Guest Kathleen Fraser Erica Hunt and M Nourbese Philip Secondly experimental engagements with nationalist rhetorics of identity marking the works of Carol Ann Duffy Denise Riley Wendy Mulford and Geraldine Monk are explored in relation to contemporary evocations of self in Britain And thirdly in discussions of all of the poets but particularly accented in regard to Guest Fraser Riley Mulford and Monk formal experimentation with the lyric I is considered through gendered encounters with critical and avant garde discourses of poetics Throughout the study Kinnahan seeks to illuminate and challenge the ways in which visual and verbal constructs function to make readable the subjectivities historically supporting white male centered power within the worlds of art poetry social locations or national policy The potential of the feminist innovative lyric to generate linguistic surprise simultaneously with engaging risky strategies of social intervention lends force and significance to the public engagement of such poetic experimentation This fresh energetic study will be of great interest to literary critics and women's studies scholars as well as poets on both sides of the Atlantic

A History of Twentieth-Century American Women's Poetry Linda A. Kinnahan, 2016-06-20 A History of Twentieth Century American Women's Poetry explores the genealogy of modern American verse by women from the early twentieth century to the millennium Beginning with an extensive introduction that charts important theoretical contributions to the field this History includes wide ranging essays that illuminate the legacy of American women poets Organized thematically these essays survey the multilayered verse of such diverse poets as Edna St Vincent Millay Marianne Moore Anne Sexton Adrienne Rich and Audre Lorde Written by a host of leading scholars this History also devotes special attention

to the lasting significance of feminist literary criticism This book is of pivotal importance to the development of women's poetry in America and will serve as an invaluable reference for specialists and students alike *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States
