Study Of Criminal Courts:

The Study of Criminal Courts Peter F. Nardulli, 1979 **Criminal Courts** Craig Hemmens, David C. Brody, Cassia Spohn, 2015-12-18 Written by three nationally recognized experts in the field *Criminal Courts A Contemporary Perspective* explores all conventional topics court structure courtroom actors and the trial and appeals process as well as others seldom covered such as specialty courts and the goals and functions of the law Authors Craig Hemmens David C Brody and Cassia Spohn take a comprehensive and accessible approach which allows instructors to cover all of the standard material and the option to add selections they consider interesting and relevant to their particular course This text will provide students with an understanding of the foundational concepts and enable them to hold a detailed discussion about the criminal courts system and the participants involved Packed with contemporary examples and new pedagogical tools the Third Edition has been thoroughly revised with the most up to date content and resources to give students a more comprehensive understanding of the criminal courts system Additional instructor resources and study tools can be found online at www.sagepub.com/hemmens2e

Criminal Courts in Theory, Research, and Practice Marc Gertz, Christi Shauna Metcalfe, 2017-12-20 *Criminal Courts in Theory Research and Practice A Reader* features high interest readings that focus on three specific aspects of the court system organizational pressures actor decision making and outside demands Unlike conventional textbooks on the subject matter this anthology emphasizes the courts as a social system and recognizes this system's influence on case processing The readings are organized into seven sections which cover criminal court ideology trial courts as organizations courtroom workgroups the early phases of case processing sentencing the appeals process and the impact of appellate courts Each section features multiple readings on the topic thoughtfully framed by original introductions and questions that engage students in critical thinking and discussion Of special note is the Stat Help feature which helps students interpret empirical findings related to the topics With a variety of readings that includes foundational theoretical pieces empirical research and seminal Supreme Court cases *Criminal Courts in Theory Research and Practice A Reader* is well suited to function as a primary text or reader for undergraduate courses and a supplemental reader for those at the graduate level Dr Christi Metcalfe who earned her Ph D in criminology and criminal justice is an assistant professor at the University of South Carolina Her work focuses on trial courts as organizational systems with some of her recent research on plea bargaining and courtroom workgroups featured in *Law and Society Review* and *Justice Quarterly* Dr Marc Gertz is a professor at Florida State University He holds a Ph D in political science and is renowned for his survey based research most notably into the defensive use of guns His writing has appeared in *Criminology* *Law and Society Review* and *Justice Quarterly*

American Criminal Courts Casey Welch, John Randolph Fuller, 2013-02-19 *American Criminal Courts Legal Process and Social Context* is an introductory level text that offers a comprehensive study of the legal processes that guide criminal courts and the social contexts that introduce variations in the activities of actors inside and outside the court Specifically the

text focuses upon Legal Processes U S criminal courts are constrained by several legal processes and organizational structures that determine how the courts operate and how laws are applied This book explores how democratic processes develop the criminal law in the United States the documents that define law federal and state constitutions legal codes administrative policies the organizational structure of courts at the federal and state levels the overlapping authority of the appeals process and the effect of legal processes such as precedent jurisdiction and the underlying legal philosophies of various types of courts Although most texts on criminal courts do a credible job of describing legal processes this text looks more deeply into the origins of criminal law historic turning points in the criminal law conditions that affect the decision making of criminal justice practitioners and the contentious political process that affects how criminal laws are considered Social Contexts The criminal courts are staffed by people who represent different perspectives occupational pressures and organizational goals The text includes chapters on actors in the traditional courtroom workgroup judges prosecutors and defense attorneys as well as those outside the court who seek to influence it including advocacy groups media and politicians It is the interplay between the court legal processes and the social actors in the courtroom that makes the application of the criminal laws so fascinating By focusing on the tension between the law legal processes and the actors inside and outside the courts system social contexts this text demonstrates how the courts are a product of law in action and it presents the course content in a way that enables students to understand not only the how of the U S criminal court system but also the why

Criminal Courts Aaron Kupchik, 2019-01-15 The social organization of criminal courts is the theme of this collection of articles The volume provides contributions to three levels of social organization in criminal courts 1 the macro level involving external economic political and social forces Joachim J Savelsberg Raymond Michalowski Mary E Vogel John Hagan and Ron Levi 2 the meso level consisting of formal structures informal cultural norms and supporting agencies in an interlocking organizational network Malcolm M Feeley Lawrence Mohr Jo Dixon Jeffrey T Ulmer and John H Kramer and 3 the micro level consisting of interactional orders that emerge from the social discourses and categorizations in multiple layers of bargaining and negotiation processes Lisa Frohmann Aaron Kupchik Michael McConville and Chester Mirsky Bankole A Cole An editorial introduction ties these levels together relating them to a Weberian sociology of law Courts Cassia Spohn, Craig Hemmens, 2011-11-09 Authored text sections and carefully selected accompanying readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century Edited readings introduce students to classic studies of the criminal court system and to cutting edge research on decision making by court actors An introduction to each reading gives students an overview of the purpose main points and conclusion of each article and evaluates their policy implications How to Read a Research Article tied to the first reading in the book guides students in understanding and learning from the research articles Mini chapters precede the selection of readings and offer clear and concise explanations of key terms and concepts in each section coupled with boxes with special interest topics and review materials that enhance

student comprehension *Research Handbook on Law and Courts* Susan M. Sterett, Lee Demetrius Walker, 2019 The Research Handbook on Law and Courts provides a systematic analysis of new work on courts as governing institutions Authors consider how courts have taken on regulating fundamental categories of inclusion and exclusion including citizenship rights Courts centrality to governance is addressed in sections on judicial processes sub national courts and political accountability all analyzed in multiple legal political systems Other chapters turn to analyzing the worldwide push for diversity in staffing courts Finally the digitization of records changes both court processes and studying courts Authors included in the Handbook discuss theoretical empirical and methodological approaches to studying courts as governing institutions They also identify promising areas of future research **Decisions to Imprison** Rasmus H. Wandall, 2016-05-13 Rasmus Wandall uses quantitative and qualitative methods from studies carried out in Denmark to address the formal and informal norms and ideologies that are used to generate decisions to imprison Focusing on the operations of the courtroom participants his work investigates how court decision making is organized to allow the sentencing procedure to be open to more than its formal legal framework while at the same time keeping the sentencing within the boundaries of law and legal validity The author uses the theory of law s operational closure developed by Niklas Luhmann The theory provides an advantageous point of departure to capture the close and subtle interactions between law s need for validity and for contextual openness in every legal operation including court decision making *Research Handbook on Law and Psychology* Rebecca Hollander-Blumoff, 2024-08-06 This Research Handbook presents a kaleidoscopic view of law and psychology as a multidisciplinary field of study and explores major themes at the intersection of these two scholarly traditions Adopting an expansive approach it examines important topics including theories of justice morality and legitimacy social norms system justification theory and the role of emotion within law **Crime File Study Guide** ,
