Study Of Policy Formation:

OECD Regional Development Studies Policy Making after Disasters Helping Regions Become Resilient - The Case of Post-Earthquake Abruzzo OECD,2013-03-01 This report suggests that Abruzzo should focus on endogenous resources to build its long term development strategy and at the same time to increase the external openness of the regional system to attract more entrepreneurs students foreigners and external capital

Educational Research and Policy-Making Lesley Saunders,2007-09-12 This book provides a fascinating insight into the sometimes troubled relationship between research and policy making in education It shows how each of these areas of social and intellectual endeavour is in a state of dynamic change and how as a result they are becoming more mutually inter permeable and posing increasingly challenging problems for each other It suggests a number of scenarios for the future development of the relationship and throws down some challenges for both communities Drawing together contributions from the premier league of UK educationalists the book is both thought provoking and anxiously awaited by other academics wanting to learn from the experience of senior researchers
