THE KING JAMES BIBLE Edward D. Andrews, 2019-10-15 Many have asked Edward D Andrews as a Chief Translator In studying the modern Bible translations I have come across some verses that are left out but that are in my King James Version or even my New King James Version such as Matthew 18 11 23 14 Luke 17 36 I have gotten conflicting opinions on social media Can you please clear this up for me Have you experienced this The book of Revelation warns if anyone takes away from the words of the book of this prophecy God will take away his share in the tree of life and in the holy city which are described in this book Yes removing a true part of the Bible would be a serious matter Rev 22 19 But had this happened Do you know why these verses are omitted from modern translations You might wonder Is my modern Bible translation lacking something that the King James Version has The reader of the King James Version may feel that they have something that the modern Bibles do not Andrews will help the reader find the answers to whether verses are being omitted and far more when it comes to the differences between the King James Bible and the Modern Bible translations
