

STUDYING PERSONALITY

The background of the slide features a dark green, textured surface. Overlaid on this are several faint, stylized illustrations of human faces in profile, some looking left and some right. There are also abstract, organic shapes and lines scattered throughout, creating a complex, layered visual effect.

What is Personality?

The word "personality" stems from the Latin word **persona**, which refers to a theatrical mask worn by performers to play roles or disguise their identities.

Personality refers to the relatively enduring characteristics that differentiate one person from another and that lead people to act in a consistent and predictable manner, both in different situations and over extended periods of time.
