Studying Diverse Institutions: Contexts, Challenges, and Considerations M. Christopher Brown, Jason E.

Lane, 2003-07-05 This volume examines the contextual and methodological issues pertaining to studying diverse institutions and provides effective and useful approaches for higher education administrators institutional researchers and planners policymakers and faculty seeking to better understand students in postsecondary education It also offers guidelines to asking the right research questions employing the appropriate research design and methods and analyzing the data with respect to the unique context of colleges and universities **New Directions for Institutional Research**, 2000 Historically Black

Colleges and Universities Charles L. Betsey, 2017-07-12 Beginning in the 1830s public and private higher education institutions established to serve African Americans operated in Pennsylvania and Ohio the Border States and the states of the old Confederacy Until recently the vast majority of people of African descent who received post secondary education in the United States did so in historically black institutions Spurred on by financial and accreditation issues litigation to assure compliance with court decisions equal higher education opportunity for all citizens and the role of race in admissions decisions interest in the role accomplishments and future of Historically Black Colleges and Universities has been renewed This volume touches upon these issues Historically Black Colleges and Universities HBCUs are a diverse group of 105 institutions They vary in size from several hundred students to over 10 000 Prior to Brown v Board of Education 90 percent of African American postsecondary students were enrolled in HBCUs Currently the 105 HBCUs account for 3 percent of the nation s educational institutions but they graduate about one quarter of African Americans receiving college degrees The competition that HBCUs currently face in attracting and educating African American and other students presents both challenges and opportunities Despite the fact that numerous studies have found that HBCUs are more effective at retaining and graduating African American students than predominately white colleges HBCUs have serious detractors Perhaps because of the increasing pressures on state governments to assure that public HBCUs receive comparable funding and provide programs that will attract a broader student population several public HBCUs no longer serve primarily African American students There is reason to believe and it is the opinion of several contributors to this book that in the changing higher education environment HBCUs will not survive particularly those that are *The Handbook of Institutional Research*

Richard D. Howard, Gerald W. McLaughlin, William E. Knight, 2012-06-28 Institutional research is more relevant today than ever before as growing pressures for improved student learning and increased institutional accountability motivate higher education to effectively use ever expanding data and information resources As the most current and comprehensive volume on the topic the Handbook describes the fundamental knowledge techniques and strategies that define institutional research The book contains an overview of the profession and its history examines how institutional research supports executive and academic leadership and governance and discusses the varied ways data from federal state and campus sources are used by

research professionals With contributions from leading experts in the field this important resource reviews the analytic tools techniques and methodologies used by institutional researchers in their professional practice and covers a wide range of topics such as conducting institutional research statistical applications comparative analyses quality control systems measuring student faculty and staff opinions and management activities designed to improve organizational effectiveness

Using Mixed Methods to Study Intersectionality in Higher Education Kimberly A. Griffin, Samuel D.

Museus, 2011-09-26 This volume offers institutional researchers several examples of the ways in which quantitative and qualitative methods can be integrated for a better grasp of how members of our educational communities understand and experience their environments on the basis of their multiple identities The first two chapters provide context for the volume s theme with definitions and overview of the underpinnings of mixed methodology Subsequent chapters illustrate the multiple ways in which qualitative and quantitative methods can be integrated to understand the complexity of identity and experiences of marginalized groups in the academy Other chapters focus on students experiences and demonstrate how mixed methodology approaches were used to explore college access among first generation Asian Americans and Pacific Islanders analyze racial ideology of white males with interview data driving analysis of longitudinal dataset and research and assessment generating accurate understanding how of race and gender shape students experiences within the campus The final chapter presents findings of a mixed methods inquiry to challenge current conceptions about racial categorization and practices for gathering institutional data on students identity Volume editors Kimberly A Griffin assistant professor of education policy studies at the Pennsylvania State University and Samuel D Museus assistant professor of educational administration at University of Hawai i Manoa and contributing authors advocate for intersectionality research and argue that it holds great promise for advancing knowledge in higher education Their book is ideal for institutions and institutional researchers who want to understand and most effectively serve their students and faculty This is the 151st volume of the Jossey Bass quarterly report series New Directions for Institutional Research Always timely and comprehensive New Directions for Institutional Research provides planners and administrators in all types of academic institutions with guidelines in such areas as resource coordination information analysis program evaluation and institutional management

Managing Diversity T. Elon Dancy, 2010 This book brings together scholars who explore the evolving meanings of diversity and how these meanings present new challenges and considerations for collegiate leadership management and practice The book offers empirical scholarly and personal space to interrogate the seemingly elusive but compelling challenges postsecondary institutions face in managing diversity Book chapters are offered in a variety of voices some detailing theoretical conceptual sociohistorical and globalized meanings of diversity some highlighting college personnel narratives around social justice and equity and some illustrating identity politics and provocative topics among students faculty and staff that continue to present formidable challenges to collegiate equity agendas The intent is to both question

existing efforts to diversify and make inclusive collegiate contexts to present new frameworks of thinking about diversity equity and inclusion and to identify and detail policy and practice implications

Understanding Minority-Serving Institutions Marybeth Gasman, Benjamin Baez, Caroline Sotello Viernes Turner, 2008-03-13 *Understanding Minority Serving Institutions* explores these important institutions while also highlighting their interconnectedness with the hope of sparking collaboration among the various types Minority serving institutions MSIs enroll and graduate the majority of students of color in the United States and traditionally include historically Black colleges and universities Hispanic serving institutions tribal colleges and more recently Asian American and Pacific Islander serving institutions The book's contributors focus on several issues including institutional mission faculty governance student engagement social justice federal policy and accreditation They critically analyze the scholarship on MSIs not only describing the existing research and stressing what is missing but also providing new lines of thought for additional research

Fostering Success of Ethnic and Racial Minorities in STEM Robert T. Palmer, Dina C. Maramba, Marybeth Gasman, 2013-05-07 To maintain competitiveness in the global economy United States policymakers and national leaders are increasing their attention to producing workers skilled in science technology engineering and mathematics STEM Given the growing minority population in the country it is critical that higher education policies pedagogies climates and initiatives are effective in promoting racial and ethnic minority students educational attainment in STEM Minority Serving Institutions MSIs have shown efficacy in facilitating the success of racial and ethnic minority students in STEM and are collectively responsible for producing nearly one third of the nation's minority STEM graduates In *Fostering Success of Ethnic and Racial Minorities in STEM* well known contributors share salient institutional characteristics unique aspects of climate pedagogy and programmatic initiatives at MSIs that are instrumental in enhancing the success of racial and ethnic minority students in STEM education This book provides recommendations on institutional practice policy and lessons that any institution can use on their campus to foster better retention and persistence among minority students Higher Education leaders and administrators interested in encouraging achievement among racial and ethnic minority students in STEM education will find this book a welcomed and timely addition to the discourse on promoting minority student success

New Scholarship in Critical Quantitative Research, Part 1: Studying Institutions and People in Context Frances K. Stage, Ryan S. Wells, 2014-06-24 This volume presents work focused on underrepresented persons in a variety of levels of higher education Each scholar has used critical quantitative approaches to examine access and or success in the higher education arena Their scholarship pushes the boundaries of what we know by questioning mainstream notions of higher education through the examination of policies the re framing of theories and measures the reexamination of traditional questions for nontraditional populations The work is divergent but the commonality of the presentations lies in each scholar's critical approach to conventional quantitative scholarship Their research highlights inequities and explores factors not typically included in conventional quantitative analysis This is the

158th volume of this Jossey Bass quarterly report series Always timely and comprehensive New Directions for Institutional Research provides planners and administrators in all types of academic institutions with guidelines in such areas as resource coordination information analysis program evaluation and institutional management *Black Colleges Across the Diaspora* M. Christopher Brown II, T. Elon Dancy II, 2017-12-01 This book examines colleges and universities across the diaspora with majority African American and other Black designated student enrolments It engages the diversity of Black colleges and universities and explains their critical role in promoting academic excellence in higher education
