Griffiths,2023-08-21 During the 1950 s the West European Socialist parties found themselves divided on the question of European integration This cleavage not only separated different national parties from each other but caused deep and painful rifts within national parties themselves The related controversies form the core of this volume consisting of a synthetic analysis thirteen national case studies and testimonies of three eyewitnesses Marinus van der Goes van Naters Christian Pineau Mario Zagari closely involved with the events described The collection deals with an important aspect of the pre history of the European Economic Community and provides a useful tool for its comparative study The Taylor Grazing Act ,1984 *The Taylor Grazing Act, 1934-1984* ,1984 **American Life and Best Sellers from The Catcher in the Rye to The Hunger Games** Diane Dakers,2016-07-15 A good book has the power to touch readers and provide insightful commentary into the human condition and current events This title examines the greatest literary hits to take America by storm from the 1950s to present day **The Life and Death of a Rural American High School (1995)** Deyoung Alan,2017-12-22 Published in 1995 this book provides an account of a detailed research project focusing on a rural school in West Virginia Researched from several social science perspectives the book strives to capture intersections between

biography and history in a particular public school Burnsville High and Middle school in Braxton County that has been influenced by social political and economic forces eventually leading to its closure The author also discusses how the example of this school can be applied within the framework of American public education and Western culture itself Based on research from unstructured interviews oral histories historical records and intermittent fieldwork that took place between 1989 and 1992 the book provides an in depth look at a specific school offering a basis for discussing rural schools in general It challenges the idea that bigger schools are better and more efficient schools in terms of the individual the social life of the school and the surrounding community and considers the lack of scholarly accounts available on the issues controversies and social dynamics that surround these vital community matters

Freedom Is a Place Ron J. Smith, 2020-08-01 Freedom Is a Place gives readers a snapshot of everyday life in the 1967 oPt occupied Palestinian territories A project of subaltern geopolitics it helps both new and seasoned scholars of the region better understand occupation its purpose varied manifestations and on the ground functions This personal study brings to light how large scale geopolitics play havoc with the lives of ordinary people and how people resist and endure Using data collected over a decade of fieldwork Ron J Smith situates the everyday realities of the occupation within the larger project of Zionism He explores the attempts to codify a temporary condition like occupation into permanency Smith insists that occupation be understood as a changing process not a singular event and to explain its longevity he argues that we must uncover the particular geographical and political dynamism at hand Through careful use of interviews and participant observation Smith reveals how the varied practices of occupation transform daily life into a prison He also helps bring to light everyday narratives illustrating how people mobilize claims to freedom and sovereignty to maintain life under occupation Freedom Is a Place uncovers how lessons from Israel's seventy plus years occupation are used by other states to oppress restive populations At the same time Smith identifies how these lessons also can be mobilized to create new spaces and strategies toward achieving liberation

Tournament of Lawyers Marc Galanter, Thomas Palay, 1994-01-15 Tournament of Lawyers traces in detail the rise of one hundred of the nation's top firms in order to diagnose the health of the business of American law Galanter and Palay demonstrate that much of the large firm's organizational success stems from its ability to blend the talents of experienced partners with those of energetic junior lawyers driven by a powerful incentive the race to win the promotion to partner tournament This calmly reasoned study reveals however that the very causes of the spiraling growth of the large law firm may lead to its undoing Galanter and Palay pose questions and offer some answers which are certain to change the way big firm practice is regarded To describe their work as challenging is something of an understatement they at times delight stimulate frustrate and even depress the reader but they never disappoint Tournament of Lawyers is essential to the understanding of the business of the big law firms Jean and Colin Fergus New York Law Journal

Thinking Politically Raymond Aron, 2020-03-12 Thinking Politically brings together a series of remarkable interviews with Raymond Aron that form a political history of our time Ranging over an entire lifetime from his youthful experience with the rise of Nazi totalitarianism in Berlin to the d nouement of the cold war Aron mediates on the threats to liberty and reason in the bloody twentieth century Originally published as The Committed Observer this volume provides one of the fullest accounts available of the dramatic events of the short century which began with the pistol shot in Sarajevo in 1914 and ended with the collapse of the ideological monsters whose deadly nature Aron had ruthlessly exposed for a half century In addition to the interviews published in the original edition Thinking Politically incorporates three interviews never before published in book form This supplemental material clarifies Aron s role as a voice of prudential reason in an unreasonable age and allows unparalleled access to the principal influences on Aron s thought The volume concludes with Democratic States and Totalitarian States an address by Aron to the French Philosophical Society as well as the accompanying debate with Jacques Maritain Victor Basch and other intellectuals Thinking Politically serves as an ideal gateway into Aron s reflections and offers a superb single volume introduction to the major events and conflicts of the

twentieth century It will be a welcome addition to the libraries of political theorists historians sociologists philosophers and citizens wishing to understand the political and intellectual currents of the age **The Last Banner** Peter May,2007-02 Of the 16 NBA championships won by the Boston Celtics the most memorable is that of the 1985 1986 season the Celtics last championship to date Powered by the Hall of Fame skills of the legendary Larry Bird Robert Parrish and Kevin McHale the team was virtually unstoppable The Last Banner offers a fascinating behind the scenes look at this remarkable team

Technological Development, Society And State: Western And Chinese Civilizations In Comparison - Proceedings Of The Joint Conference Welf Heinrich Schnell,Wolfgang Radtke,Hans Poser,W Konig,1991-10-16 This is a collection of essays focused on problems concerning the philosophy of technology the concept of nature the relationships between policy and economic development on the one hand and technological development on the other hand with respect to philosophical principles historical and cultural background both in Western and Chinese Civilization **Land Use and Living Space** Robin H. Best,2024-09-02 Few people have any coherent idea of whether the shifts taking place in land use structure are critically important for us all or whether they are largely immaterial This book originally published in 1981 by setting down a more quantified and carefully researched statement and appraisal of land use structure and change than had previously been attempted shows that much of the conventional wisdom about land use can be shown to be incorrect or very suspect Land use planning has often been built on the insecure foundation of myth rather than reality the author maintains Land Use and Living Space shows that much of the perceived land problem in Britain is not substantiated by evidence on the ground and concludes that there is no real problem at all This analysis was a welcome contribution to the debate during the 1970 and 80s about the true state of land use in Britain Europe and the USA

Take Ten Years 1950s: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Take Ten Years 1950s : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
