Take Up Your Cross:

Take Up Your Cross Steven L. Hitchcock, 2018-11-28 Jesus said If anyone wishes to come after Me he must deny himself and take up his cross and follow Me This great statement in the gospel of Matthew commands our attention by setting before us an ultimatum of the utmost importance Have I denied myself and taken up my cross Will I come after Him If we take Jesus words seriously and we are honest with ourselves we would rather avoid this great statement Since when does self denial and suffering determine whether or not we come after Jesus Christians are being told that if they want to be a true disciple of Jesus then they must deny themselves and take up their cross Yet Jesus requires an absolute denial and death of self Jesus has not made room for half measures or for a mere willingness to make the ultimate sacrifice To misrepresent and misunderstand Jesus great statement is as serious as the teaching is great The purpose of this book is to exchange burdening error for the empowering truth of Jesus great statement By explaining the context and showing how Paul the apostle applied the teaching we provide the correct understanding thereby exposing the leaven of the Pharisees Be refreshed by the truth of the gospel as you gain the correct understanding of Jesus great statement Jesus cross is our only power to live and walk by the Spirit This is essential reading for all Christians so that we might come after Jesus by the power of the cross and might know how to walk by the Spirit Steven and his wife Alison live in Boise Idaho and have five children He has authored *Recanting Calvinism* and has an Australian Bachelor of Theology which is equivalent to a Masters of Divinity in the U S A Visit traditionalbaptistchurch.com for information *The Presbyterian Hymnal* Judith L. Do We Do What Jesus Said? Matthew Robert Payne, 2018-12-28 In this timely message Matthew Robert Payne examines the words of Jesus to his disciples in Luke 9:23 Then He said to them all If anyone desires to come after Me let him deny himself and take up his cross daily and follow Me Each of these three key points stands as a section heading and Matthew then expands upon each one with several subheadings You will learn about the following and much more denying yourself of the world's ways including media denying yourself of material comforts the need to spend time reading the Bible and praying living out your Christian faith being an example to others and walking in your purpose and destiny While many have stumbled over the meaning of this important verse Matthew brings clarity to the words of Jesus This little gem includes practical ways to apply these points so that you can put them into practice in your life today

Around the Table Jonathan P. Case, 2019-06-21 In these days of uncivil public discourse complete with trolling hater comments CAPSLOCKING and generally acting like jerks towards each other talking graciously about anything is becoming a lost art Throw religion into the mix Well my Bible says and you've got one huge toxic mess Is it possible for Christians to become more thoughtful and gracious conversation partners as we talk through our theological disagreements How can we keep from throwing around the term heretic every time someone disagrees with us And remember it's a big world out there If arguing with other Christians isn't difficult enough how do we think about engaging members of other religions What's the point of talking with them They don't know God anyway right Then there are all those agnostics and atheists accusing believers of ignorance and calling for the end of religion Why should we even want to talk with these people Aren't they our enemies What can we possibly learn from them In this book Jonathan Case explores from a Christian theological perspective what's at stake in these conversations and suggests how to keep people talking through their disagreements about that most volatile subject God

Mediocrity Brian Byrne,2020-08-27 Disciple Beyond Mediocrity addresses the problem of mediocrity found in many
churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with
what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr
Byrne s examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne
exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr
Byrne explores the seven characteristics of being a disciple based on the Lord s own words Denying oneself taking up his
cross following the Lord forsaking attachments to all he has abiding in His word bearing much fruit and loving one another
Central to his study of the life of a disciple are the twin spiritual skills living by faith and living in the Spirit with the subject
that is central to both being able to hear what the Spirit is saying to the churches Dr Byrne then presents his readers with a
step by step instruction on how to live by faith and includes a memorable parable that reflects his own relationship with the
Lord the Garden of My Heart The final part of the book takes a leap into the future with Dr Byrne exploring four events in the
life of a disciple in the end of days being caught up to meet the Lord in the air and being transformed in a brief moment of
time into His immortal image giving account at the judgment seat the marriage of the bride of Christ with the Lord and the
return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years The book concludes
with an examination of the destiny of the Lord s disciples in the New Jerusalem that descends to the earth at the end of time
There can be no doubt that Dr Byrne knows what he is writing about Each chapter bears the distinctive stamp of personal

knowledge and experience This book should be required reading for all Christians for those who lead churches and for those who train leaders in colleges and universities round the world

There's Only One Anthony Cooper,2024-05-03 I have acquired a greater understanding of the truth and what this earthly life encompasses by maintaining a close personal relationship with Jesus Christ During my spiritual growth I realized there were several topics that needed to be given more attention and more conversation to help someone obtain a greater understanding of Christianity I have written about and expanded upon these essential topics Acquiring more knowledge about these topics will allow you to better understand the true meaning of this life We are all searching for the truth to establish our belief system upon so we can acquire joy and purpose in our lives These attributes can only come from the freedom of the truth Remember If you abide in Christ s word you will know the truth and the truth will set you free John 8 31 32 This book will help you realize your purpose in this life and how to experience true joy This life s earthly journey can be very complicated and confusing if we do not base our life in accordance with the moral truths of Jesus Christ Agnostics skeptics and

misinterpretations have created conflicting viewpoints about Christianity However Christianity based solely on the moral truths of Jesus Christ has clarity and certainty God is not the author of confusion but of peace 1 Corinthians 14:33 As you start to live by these moral truths your personal behavior will start to reflect Christ's personal characteristics and your perspective on life will come into focus Life will start being meaningful purposeful and joyful There's only one who can give you a fulfilling life and award you with an eternal heavenly destination Jesus Christ *The Hymnal 1982 according to the use of The Episcopal Church*, *Walking in the Garden with God* Lydia B. Miller, 2023-04-23 Our Walk with the Lord begins when we take our first step in faith by believing that Jesus is who he says he is Thereafter day after day we willingly take up our cross and attempt to follow in his footsteps finding out all too soon that The Way is not easy Some will not understand our belief in the invisible God They will consider us fools and secretly despise us for claiming to see what they cannot While they may be blind to his presence we see God everywhere and in everything Ours is a life long spiritual journey which tests our strength courage faith and convictions While it may seem that we are walking alone we are not The Lord is always with us Look around my friends there are other Believers each walking at their own pace some far ahead while others trail behind Occasionally someone comes along who falls into step and walks the long road with us Know that they have been intentionally sent by God to pick us up when we stumble and fall get lost or become discouraged We need their uplifting prayers encouragement and testimonies of faith to remind us never to give up hope This book is about my walk with The Lord However I believe the sentiments expressed are not mine alone but universal to Christians everywhere It is my hope that the words God has given me will also minister to you as you walk your walk
