*British Women Writers* Vicki K. Janik, Del Ivan Janik, 2002-11-30 The 20th century witnessed several major cultural  
movements including modernism anti modernism and postmodernism These and other means of understanding and  
perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of  
literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th  
century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from  
countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala

history of England or Britain as it was anciently called is involved in great obscurity The reason of this is that its first  
inhabitants a colony from some other nation were so much occupied in providing for the actual wants of life as to have but

very little time to spare for the purpose of preserving records of the country whence they came They were too in a state of barbarism and altogether ignorant of the arts of reading or writing When they wished to keep a memorial of any great event such as a victory a treaty of peace the death of one king or the coronation of another they marked the spot where the occurrence took place with a heap of stones or set up a rough hewn pillar and bade their children recount to their descendants the circumstance which it was intended to commemorate An imperfect memory of certain great events was thus kept alive and the pillar or the heap of stones was appealed to as a memorial long after the people who had assisted in raising it were dead
