[With Plates, Including Portraits.] John GUNTHER (the Elder.), Albert Davis LASKER, 1960 *The Man Who Sold America* Jeffrey L. Cruikshank, Arthur W. Schultz, 2010-08-12 We live in an age of persuasion Leaders and institutions of every kind public and private large and small must compete in the marketplace of images and messages This has been true since the advent of mass media from broad circulation magazines and radio through the age of television and the internet Yet there have been very few true geniuses at the art of mass persuasion in the last century In public relations Edward Bernays comes to mind In advertising most Hall of Famers J Walter Thomson David Ogilvy Bill Bernbach Bruce Barton Ray Rubicam and others point to one individual as the father of modern advertising Albert D Lasker And yet Lasker unlike Bernays Thomson Ogilvy and the others remains an enigma Now Jeffrey Cruikshank and Arthur Schultz having uncovered a treasure trove of Lasker s papers have written a fascinating and revealing biography of one of the 20th century s most powerful intriguing and instructive figures It is no exaggeration to say that Lasker created modern advertising He was the first influential proponent of reason why advertising a consumer centered approach that skillfully melded form and content and a precursor to the unique selling proposition approach that today dominates the industry More than that he was a prominent political figure champion of civil rights man of extreme wealth and hobnobber with kings and maharajahs as well as with the likes of Albert Einstein and Eleanor Roosevelt He was also a deeply troubled man who suffered mental collapses throughout his adult life though was able fight through and continue his amazing creative and productive activities into later life This is the story of a man who shaped an industry and in many ways shaped a century

Galveston Gary Cartwright, 1998-08-01 Galveston a small flat island off the Texas Gulf coast has seen some of the state s most amazing history and fascinating people First settled by the Karankawa Indians long suspected of cannibalism it was where the stranded Cabeza de Vaca came ashore in the 16th century Pirate Jean Lafitte used it as a hideout in the early 1800s and both General Sam Houston and General James Long with his wife Jane the Mother of Texas stayed on its shores More modern notable names on the island include Robert Kleberg and the Moody Sealy and Kempner families who dominated commerce and society well into the twentieth century Captured by both sides during the Civil War and the scene of a devastating sea battle the city flourished during Reconstruction and became a leading port an exporter of grain and cotton a terminal for two major railroads and site of fabulous Victorian buildings homes hotels the Grand Opera House the Galveston Pavilion first building in Texas to have electric lights It was writes Cartwright the largest bawdiest and most important city between New Orleans and San Francisco This country s worst natural disaster the Galveston hurricane of 1900 left the city in shambles with one sixth of its population dead But Galveston recovered During Prohibition rum running and bootlegging flourished

The Age of Persuasion Terry O'Reilly, Mike Tennant,2011-05-01 Stop to consider the culture of the 21st century Each morning you might hear a half dozen ads on the radio before your feet touch the floor Staggering out of bed you'll pass brand logos on your clothing and in your bathroom By the end of the day hundreds perhaps thousands of marketing messages have targeted you And yet so little is understood about how marketing affects our lives our society and our world Enter Terry O'Reilly and Mike Tennant the ad men behind The Age of Persuasion the popular radio show broadcast on the Canadian Broadcasting Corporation and Sirius Radio They have made it their mission to share the back room story of modern marketing entertaining asides and all Think of advertisers as millions of ants in a colony each working hard and each with its own objective Except that in this colony every single ant is competing against the others That's the ad business Almost every ad you see hear and otherwise experience is competing for a piece of your imagination And like any cross section of humanity the vast worldwide advertising community is diverse composed of geniuses and idiots saints and buffoons and everything in between From the early players to the Mad Men of the 1960s and beyond O'Reilly and Tennant offer insights into a rapidly evolving industry Smart and funny The Age of Persuasion provides an entertaining and eye opening look at a world driven by marketing

The Unseen Power Scott M. Cutlip,2013-11-05 Based largely on primary sources this book presents the first detailed history of public relations from 1900 through the 1960s The author utilized the personal papers of John Price Jones Ivy L Lee Harry Bruno William Baldwin III John W Hill Earl Newsom as well as extensive interviews conducted by the author himself with Pendleton Dudley T J Ross Edward L Bernays Harry Bruno William Baldwin and more Consequently the book provides practitioners scholars and students with a realistic inside view of the way public relations has developed and been practiced in the United States since its beginnings in mid 1900 For example the book tells how President Roosevelt's reforms of the Square Deal brought the first publicity agencies to the nation's capital Edward L Bernays Ivy Lee and Albert Lasker made it socially acceptable for women to smoke in the 1920s William Baldwin III saved the now traditional Macy's Thanksgiving Day parade in its infancy Ben Sonnenberg took Pepperidge Farm bread from a small town Connecticut bakery to the nation's supermarket shelves and made millions doing it Two Atlanta publicists Edward Clark and Bessie Tyler took a defunct Atlanta bottle club the Ku Klux Klan in 1920 and boomed it into a hate organization of three

million members in three years and made themselves rich in the process Earl Newsom failed to turn mighty General Motors around when it was besieged by Ralph Nader and Congressional advocates of auto safety This book documents the tremendous role public relations practitioners play in our nation s economic social and political affairs a role that goes generally unseen and unobserved by the average citizen whose life is affected in so many ways by the some 150 000 public relations practitioners

Applegate,1998-01-21 Profiling such luminaries as Benjamin Franklin P T Barnum John Wanamaker and Harley Procter this book examines the contributions that several prominent individuals have made to advertising in America The work opens with a discussion of Colonial advertising and the printers such as Benjamin Franklin who created it It then goes on to consider early advertising agents such as Francis Wayland Ayer and the contributions of the great promoter P T Barnum Lydia Pinkham s Vegetable Compound and the advertising of patent medicines is also covered as is John Wanamaker s impact on retail advertising The book then examines the advertising style of Albert Lasker owner of Lord and Thomas advertising agency as well as Harley Procter s advertising of Ivory soap and Procter Gamble s first 100 years Elliot White Springs s use of sex in advertising and the Springs Cotton Mills advertising campaign of the 1940s and 1950s concludes the volume

Eisenhower's Heart Attack Clarence G. Lasby,1997 Previous Eisenhower biographers have touched on his heart condition but Clarence Lasby is the first to examine the impact of the president s health on the nation He offers a dramatic revisionist account of the events surrounding the president s 1955 heart attack and subsequent efforts by the president and his staff to minimize its political impact Drawing on newly opened medical records and personal papers of Eisenhower s physicians Lasby challenges virtually everything we have believed about the president s heart attack Most disturbingly he has discovered that the president s personal physician Dr Howard Snyder misdiagnosed the attack as a gastrointestinal problem and waited ten hours before sending Eisenhower to the hospital Lasby also sets the record straight on how the president and his aides managed the public s understanding of events and he offers evidence that Eisenhower Dr Snyder and press secretary James Hagerty withheld and recast information to serve the president s political priorities Equally important Lasby s book offers a touching portrait of a proud man faced with a debilitating disease It examines Ike s private struggle to lead a full life despite his condition and analyzes his decision to seek a second term even against the advice of cardiologist Paul Dudley White It also shows how a man who had always carefully joked after his health now became obsessed with it
