another practical joke or a serious threat He sponsors an elephant collaring in the bush and invites a group of friends to join him for this last African adventure Around the campfire at night he and his friends openly discuss his plans The polarized reactions of Tucker s confidants range from vehement denial to vehement support as he advises them that his suicide date is rapidly approaching In January 2011 he returns home to England his deadline the end of February Irving Tucker is a complex character with great attributes and glaring faults This is a story of love friendship and caring of laughter fun sadness and tragedy It is the story of a man determined to leave this world at a time of his choosing **Tucker's Reckoning** Matthew P.
