[Take Charge of Your Life](#) Brian Tracy, 2023-12-12 One of the hallmarks of Brian Tracy's philosophy is that you are 100% responsible for the results in your life While Brian Tracy has discussed this philosophy since the 1980's it is increasingly out of place in our current cultural moment Today there are numerous voices telling you that any of your struggles or challenges are due to other people or societal conditions that are beyond your control But as you'll read in this life changing book the philosophy of complaint and blaming others is ultimately a dead end path that leads to despair In *Take Charge of Your Life* The 12 Master Skills for Success Brian will show you how putting yourself in the driver's seat of your own life and not delegating responsibility for your results to others will separate you from the pack faster than ever before Brian will teach you the attitudes mindset and most importantly the specific skills that will enable you to overcome any forces that others perceive may hold them back whether it be your education level current income level gender or socio economic background Here are just a few of the things you will learn Maximum Performance When you're firing on all cylinders nothing can stop you so why waste any more time at half speed Get more out of yourself and generate better results than ever before Personal Strategic

Planning Success is inevitable when you have a plan All you have to do is follow it I cover how to plan and how to stay on track no matter what life throws at you Time Management Time management is really life management When you become a super efficient machine you complete the highest value tasks in the least amount of time and you flourish Personal Dynamism and Energy When you exude confidence and energy it s contagious You attract other dynamic energetic people and together you experience more More success more fun greater results Creating Wealth Once you create a personal plan and then maximize your efficiency performance and time management your income will increase automatically But what do you do with it To create wealth you must have a wealth plan and that s what we cover here Communication Power Even if you re not in sales you re in sales Whenever you talk with someone you have the opportunity to convince him to think the way you think and to help you achieve your goals I teach you my proven time tested strategies for communicating effectively And MUCH More

Life at 40 :- Take Charge of your Finances TV 18 Broadcast ,2014-07-17 At 20 years of age the will reigns at 30 the wit at 40 the judgment Benjamin Franklin So you ve got a career money flowing in and a couple decades of adulthood behind you You ve experienced success and failure love and loss and have the battle scars to prove it The fact that you re reading this means you ve risen up more times than you ve been knocked out and being refined by the trials of life can make us all want to pause and take a deep breath But this is no time to slow down Your are at the top of the proverbial hill after years of hard work you have reached that point in your career where you know you are financially stable So let s make sure you enjoy the ride on the way down But you still have much to accomplish and lesser time in hand have you prepared a road map to reach your financial goals Are you saving enough and more importantly investing your money in proper channels that it works as hard as you If your answer is perhaps not you are in good company Most successful professionals concentrate so much on their work that they do not seem to find the time Life at 40 helps you to create a financial plan Without jargon and unrelenting theories on finance it tells you very simply how to plan for all your financial milestones and save and invest for them It is a practical hand book that tells you how much to save at different junctures in your life and when and where to invest It also enables you to plan your retirement so that you have the option to gradually wind down your career and make time for all your other fascinations without worrying where the money will come from to support your lifestyle in those golden days Brought to you by Network18 this book on financial planning will tell you everything you always wanted to know about successful investing
