South Africa Tony Pinchuck,Donald Reid,2002 South Africa is a country on the move with more and more travelers making their way to this fascinating land This Rough Guide covers all the major sights in South Africa from Table Mountain to the wildlife of Kruger National Park plus a few surprises in between 16 page color wildlife guide 60 maps plans

Passport to the Best of Cape Town, South Africa Carrie Hampton,2004 Passport to the best of Cape Town South Africa is relevant not just to the first time traveller to this city but the second and third time visitor too serving travellers from around the world as well as fellow South Africans Photographing Galaxies from Light Polluted Skies Jane Clark,2025-04-03

Galaxies present a unique challenge to town dwellers Amateur astronomers can't use narrowband filters to shut out light pollution or use ordinary techniques as they would in dark open fields As one can imagine this discrepancy with light means not everyone who looks up at the night sky is capable of seeing all it has to offer What a shame Author Jane Clark however has spent two years going down blind alleys trying to get a technique to work to combat the amateur astronomer's biggest enemy light pollution In this book you will discover the fascinating variety of galaxies spirals ellipticals and irregular galaxies often sculpted by gravity as they encounter one another in the vastness of space You will also learn how to image them as well While the most decent images pick up background galaxies 10 20x as far each containing billions of stars that's just the local universe This book will help you observe for yourself right in your own backyard allowing you to get a sense of the sheer vastness of the universe
