## Tal Jesus:

**Jesus in Solidarity with His People** William E. Reiser, 2000 Many men and women have already made the prayerful discovery that the experience of solidarity with one another and the search for God are mysteriously linked Reiser states that the word solidarity provides a contemporary key to understanding Mark's message about Jesus' life and mission The Bible repeatedly demonstrates that the story of God entails the story of God's people especially the poor and defenseless ones among them and the history of God's people becomes the story of Israel's God One cannot adequately understand the interior life of Jesus without taking into account the life of the people of God in its social cultural political and religious dimensions Jesus lived and died in solidarity with his people He died for them because he had lived for them In *Jesus in Solidarity with His People* Reiser examines important questions that Mark raises questions that bear heavily on adult Christian spirituality He demonstrates that what is of importance in reading and understanding Mark's Gospel is not our mindfulness of how much God loves the people but our knowledge of how deeply we love the people of God It is our love for the world that is required to bring this gospel this good news of Christ risen this Easter story to life Chapters are The Theological Matters A Believer from the Beginning Of Calling and Following The Authority to Forgive What God Ordains A Kingdom of Throwaways Paying the Emperor's Tax A World of Parables Does Mark Encourage a Cult of Suffering In the Company of Prophets Can God Be Trusted What Sort of God Would Raise the Dead and The Futility of Secrets William Reiser SJ PhD is professor of theology at Holy Cross College

*"This Is My Doctrine": The Development of Mormon Theology* Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to

uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions

**Christian Mysticism** Harvey D. Egan SJ,1998-09-16

Christian mysticism is unique in its view of Jesus death and resurrection as the very cause and exemplar of the mystical life in all its purity Jesus saving death on the cross exemplifies the mystical letting go of everything consoling tangible and finite in order to surrender totally to the mystery of the Father s unconditional love In this introduction to Christian mysticism Reverend Harvey Egan S J presents four Christian mystics as paradigms of the classical tradition St Ignatius of Loyola St Teresa of Avila St John of the Cross and the unknown author of the Cloud of Unknowing From this foundation he moves to two contemporary figures Thomas Merton and Pierre Teilhard de Chardin each of whom reflects a contemporary transposition of the two mystical traditions the apophatic which emphasizes the radical difference between God and creatures and the kataphatic which emphasizes the similarity between God and creatures

In the United States against the background of secularization the religious atmospheres have changed radically in the past forty years In 1965 President Lyndon Johnson signed the Immigration and Naturalization Act which opened America s doors to immigrants from all over the world As a result approximately one million immigrants legally enter the United States each year and bring with them religious traditions such as Islam Buddhism and Hinduism Catholic Spirituality and Prayer in the Secular City presents the role of religion and spirituality in a rapidly changing religious scenario Author Robert A Burns explores ways Catholics have been called upon to develop their spiritual lives in the most religiously pluralistic society that has ever existed Burns acknowledges the struggle that many people face when seeking a deeper spirituality and do not know where or how to begin and seeks to guide readers through the confusion and back to the
