

Paradise Lost By John Milton

OF Mans First Disobedience, and the Fruit
Of that Forbidden Tree, whose mortal tast
Brought Death into the World, and all our woe,
With loss of Eden, till one greater Man
Restore us, and regain the blissful Seat,
Sing Heav'nly Muse, that on the secret top
Of Oreb, or of Sinai, didst inspire
That Shepherd, who first taught the chosen Seed,
In the Beginning how the Heav'ns and Earth
Rose out of Chaos: or if Sion Hill
Delight thee more, and Siloa's brook that flow'd
Fast by the Oracle of God; I thence
Invoke thy aid to my adventurous Song,
That with no middle flight intends to soar
Above th' Aonian Mount, while it pursues
Things unattempted yet in Prose or Rhime.
And chiefly Thou, O Spirit, that dost prefer
Before all Temples th' upright heart and pure,
Instruct me, for Thou know'st; Thou from the first
Wast present, and with mighty wings outspread
Dove-like satst brooding on the vast Abyss
And mad'st it pregnant: What in me is dark
Illumin, what is low raise and support;
That to the highth of this great Argument
I may assert Eternal Providence,
And justifie the wayes of God to men.

Paradise Lost John Milton, 2020-11-14 *Paradise Lost* by John Milton *Paradise Lost* is an epic poem in blank verse by the 17th century English poet John Milton 1608-1674 The first version published in 1667 consists of ten books with over ten thousand lines of verse A second edition followed in 1674 arranged into twelve books in the manner of Virgil's *Aeneid* with minor revisions throughout It is considered to be Milton's major work and it helped solidify his reputation as one of the greatest English poets of his time The poem concerns the biblical story of the Fall of Man the temptation of Adam and Eve by the fallen angel Satan and their expulsion from the Garden of Eden Milton's purpose as stated in Book I is to justify the ways of God to men In his introduction to the Penguin edition of *Paradise Lost* the Milton scholar John Leonard notes John Milton was nearly sixty when he published *Paradise Lost* in 1667 The biographer John Aubrey 1626-97 tells us that the poem was begun in about 1658 and finished in about 1663 However parts were almost certainly written earlier and its roots lie in Milton's earliest youth Leonard speculates that the English Civil War interrupted Milton's earliest attempts to start his epic poem that would encompass all space and time Leonard also notes that Milton did not at first plan to write a biblical epic Since epics were typically written about heroic kings and queens and with pagan gods Milton originally envisioned his epic to be based on a legendary Saxon or British king like the legend of King Arthur Having gone totally blind in 1652 Milton wrote

Paradise Lost entirely through dictation with the help of amanuenses and friends He also wrote the epic poem while he was often ill suffering from gout and despite suffering emotionally after the early death of his second wife Katherine Woodcock in 1658 and the death of their infant daughter In the 1667 version of Paradise Lost the poem was divided into ten books However in the 1672 edition the text was reorganized into twelve books In later printing Arguments brief summaries were inserted at the beginning of each book Milton used a number of acrostics in the poem In Book 9 a verse describing the serpent which tempted Eve to eat the forbidden fruit in the Garden of Eden spells out SATAN 9 510 while elsewhere in the same book Milton spells out FFAALL and FALL Respectively these probably represent the double fall of humanity embodied in Adam and Eve as well as Satan's fall from Heaven The poem follows the epic tradition of starting in medias res in the midst of things the background story being recounted later Milton's story has two narrative arcs one about Satan Lucifer and the other Adam and Eve It begins after Satan and the other fallen angels have been defeated and banished to Hell or as it is also called in the poem Tartarus In Pandemonium the capital city of Hell Satan employs his rhetorical skill to organise his followers he is aided by Mammon and Beelzebub Belial and Moloch are also present At the end of the debate Satan volunteers to corrupt the newly created Earth and God's new and most favoured creation Mankind He braves the dangers of the Abyss alone in a manner reminiscent of Odysseus or Aeneas After an arduous traversal of the Chaos outside Hell he enters God's new material World and later the Garden of Eden At several points in the poem an Angelic War over Heaven is recounted from different perspectives Satan's rebellion follows the epic convention of large scale warfare The battles between the faithful angels and Satan's forces take place over three days At the final battle the Son of God single handedly defeats the entire legion of angelic rebels and banishes them from Heaven Following this purge God creates the World culminating in his creation of Adam and Eve

Paradise Lost John Milton, 2003-02-27 An endless moral maze introducing literature's first Romantic Satan John Carey In his epic poem Paradise Lost Milton conjured up a vast awe inspiring cosmos ranging across huge tracts of space and time And yet in putting a charismatic Satan and naked Adam and Eve at the centre of this story he also created an intensely human tragedy on the Fall of Man Written when Milton was in his fifties blind bitter and briefly in danger of execution Paradise Lost's apparent ambivalence has led to intense debate about whether it manages to justify the ways of God to men or exposes the cruelty of authority Edited with an introduction and notes by JOHN LEONARD *John Milton's 'Paradise Lost'* Noam Reisner, 2011-04-18 Noam Reisner leads readers through the complexities of Milton's celebrated and challenging narrative poem as well as introducing them to the key critical views The guide combines an introduction to the poem's main thematic and stylistic concerns together with discussion of important selected passages substantial extracts from the text are

included and provides readers with a basic set of critical tools with which to interpret the text **Paradise Lost** John Milton, 2012-02-23 John Milton's epic story of cosmic rebellion and the beginning of human history has long been considered one of the greatest and most gripping narratives ever written in English. Yet its intensely poetic language, now antiquated syntax and vocabulary, and dense allusions to mythical and Biblical figures make it inaccessible to many modern readers. This is as the critic Harold Bloom wrote in 2000, a great sorrow and a true cultural loss. Dennis Danielson aims to open up Milton's epic for a twenty-first century readership by providing a fluid, accessible rendition in contemporary prose alongside the original. The edition allows readers to experience the power of the original poem without barriers to understanding **John Milton's Paradise Lost** Margaret Kean, 2005 Designed for students new to Milton's work, this sourcebook outlines the seventeenth-century contexts of its composition and examines a range of the key critical responses from across literary history. The guide also usefully reprints frequently studied passages of the poem, suggests further reading, and provides cross-references between the textual, contextual, and critical material **Paradise Lost** John Milton, 1962 Concerns the Christian story of the Fall of Man, the temptation of Adam and Eve by the fallen angel Satan, and their expulsion from the Garden of Eden. Milton's purpose, stated in Book I, is to justify the ways of God to men and elucidate the conflict between God's eternal foresight and free will **Paradise Lost** John Milton, 2012-01-24 Collectors Edition Highly Recommended **Paradise Lost** an epic poem in blank verse written by the 17th-century poet John Milton. As he became blind at the end of his life, it is a retelling of the Biblical story of the Fall of Man. While based on the Christian tale, the poem incorporates many topics and spends most of its verses detailing the journey of Satan and his war on the angels. The depiction of Adam and Eve draws an elaborate panorama of their trials. This classic of Western literature is wide-reaching and enormously influential and should not be absent from the modern reader's bookshelf **Dust Off the Gold Medal** Sara L. Schwebel, Jocelyn Van Tuyl, 2021-08-23 The oldest and most prestigious children's literature award, the Newbery Medal, has since 1922 been granted annually by the American Library Association to the children's book it deems most distinguished. Medal books enjoy an outsized influence on American children's literature, figuring perennially on publishers' lists, on library and bookstore shelves, and in school curricula. As such, they offer a compelling window into the history of US children's literature and publishing, as well as into changing societal attitudes about which books are best for America's schoolchildren. Yet literary scholars have disproportionately ignored the Medal winners in their research. This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s, interrogating the disjunction between the books' omnipresence and influence on the one hand and the critical silence surrounding them on the other. **Dust Off the Gold Medal** makes a case for closing these scholarly gaps by revealing neglected texts, insights into the politics of children's literature, and by demonstrating how neglected titles illuminate critical debates currently central to the field of children's literature. In particular, the essays shed light on the hidden elements of diversity apparent in the

neglected Newbery canon while illustrating how the books respond sometimes in quite subtle ways to contemporaneous concerns around race class gender disability nationalism and globalism
