Tales From Fern Hollow The Unscary Scarecrow:

The Unscary Scarecrow John Patience, 2019-05-02 A picture book from the ever popular Tales from Fern Hollow series of 17 titles richly illustrated in traditional style for ages 3-93. Now back in print under the author/illustrator's John Patience own imprint Talewater Press this new edition contains the same story and illustrations as the original editions which were first published in the 1980s. Farmer Bramble's crop is being eaten by crows so his children make a wonderful scarecrow to frighten away the pesky birds. The only problem is the scarecrow just isn't scary enough. This calls for drastic action. As Farmer Bramble went out to begin his day's work he was singing a little song. Fern Hollow is the place to be. The leaves are green on every tree. The sky is blue. Don't need a broom. And I'm a farmer, round and jolly. The little song came to an abrupt end as Farmer Bramble noticed a flock of big black crows in his field, all greedily gobbling up the wheat. Can you guess what Farmer Bramble's clever solution to the problem might be? The charming Fern Hollow stories have remained popular since they were first published in 1980.

A beautifully crafted friendship tale that's just right for storytime. Kirkus: The perfect Fall book for kids. A poignant picture book about a scarecrow who befriends the young girl who reads to him day after day until one day he's left wondering where she is. A scarecrow stood in the garden. Tall, proud and smiling. Every day a girl brought her favorite books to the garden and she read to him. He heard tales of courage and of hope. And when she said "The End" the scarecrow always felt a little bit taller and braver. Year after year she came and she read to him. Until one spring two different hands picked him up from the garden shed and placed him in the garden. He waited but she didn't come to read to him. With poignant words from award-winning author Michelle Houts and lush illustrations by Pura Belpré, Honor winner Sara Palacios, *Hopefully the Scarecrow* is a tender distillation of the enduring power of friendship and a heartwarming look at the ways stories connect us.
