A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness*. Finalist for the Booker Prize and the National Book Critics Circle Award. A time being is someone who lives in time, and that means you and me and every one of us who is or was or ever will be. In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace, and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox, possibly debris from the devastating 2011 tsunami.

As the mystery of its contents unfolds Ruth is pulled into the past into Nao's drama and her unknown fate and forward into her own future Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader past and present fact and fiction quantum physics history and myth *A Tale for the Time Being* is a brilliantly inventive beguiling story of our shared humanity and the search for home **Leonard and Dennis; Or, The Soldier's Life. Daniel Owsley,2012-03-01 Before this world is made into a virtual utopia it's destined to be destroyed by fire But Christians won't have to go through those fiery days that shall burn as an oven as recorded in Malachi 4 And our Heavens won't even allow their tears to be shed as thirsty grounds below swiftly spread everywhere while turning our planet into a giant dust bowl Then our earth's crust will resonate from the resounding of moving mantle that shall quickly waste all of the cities of a doomed race that foolishly followed after the ways of Babylon And the electrical explosions of lightening crackles will then suddenly detonate within our expanse like unstable chemicals that reacts ferociously with non compatible elements Even our continental shelves shall also be rearranged in our new earth when the underlying strata is moved miles out of its place by gargantuan earthquakes Then our abandoned coastlines will be rapidly betrayed by waters that leave real quick without any word And within all areas of the circle of our earth new dry land shall suddenly arise to contend with bloody looking muck that shall be thrown up during volcanic conceptions For our former forgotten seas will be swiftly transformed from eruptions while they abruptly become parched badlands of the driest thirsty kind And those bone dry lands will suddenly be floating upon steaming lava as it cools Then the deepest gorges will be unexpectedly filled in by our ever shaking earth At that point

our entire firmament will also be enshrouded with some real dusty ashes while speedily producing real stagnant blackened clouds that will be unable to empty themselves due to the supernatural restraints that God shall place upon them Furthermore all unprotected life will then hastily cease during those most foreboding and darkest hours of God's very worst fury For all of the past vegetation of our greenest plains will then abruptly curl up into little balls while quickly perishing very quick beneath the scorching rays of our sun that has gone more than crazy And our planet will then immediately be stripped naked due to all of those combined happenings that will rapidly lead to untold destruction But after all those above horrid things have finally come to pass only at that point shall our earth soon arise and shine with our God's most loving restoration And the mortal remnant of our great tribulation era shall then always live together with immortal resurrected people that shall no longer be male or female And all of our Lord's elect shall then live evermore upon a blessed remade world that will never pass away
