Tales in the Key of Sea Jonathan Edwards, 2001-01-08 *Tales in The Key of Sea* is a three part action drama set on the high seas in the 1700 s It follows the adventures of Ian and Bonnie as they sail from England to the Caribbean getting captured by pirates and shipwrecked in a journey that romantically joins them through mutual adversity The second part of the trilogy involves their grown daughter as she sails to India Madagascar and other East African settings from England as a stowaway to be with her British Naval boyfriend who s trying to assist the East India Tea Company The final part of the trilogy deals with the son as he sets sail on a secret mission for the Royal Navy that takes him to Gibraltar and the Mediterranean

Historical references are made regarding pirates locales and the ships The The Story Behind the Bible Trilogy: Book I The Torah; Book II The Prophets; Book III The New Covenant J. K. Alexander, 2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It s a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God s hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end The Marine Corps Gazette ,1945 **Men**
