Haney, 2015-10-06 Up to now there has been no complete English language version of the Russian folktales of A N Afanas ev This translation is based on L G Barag and N V Novikov s edition widely regarded as the authoritative Russian language edition The present edition includes commentaries to each tale as well as its international classification number This second volume of 140 tales continues the work started in Volume I also published by University Press of Mississippi A third planned volume will complete the first English language set The folktales of A N Afanas ev represent the largest single collection of folktales in any European language and perhaps in the world Widely regarded as the Russian Grimm Afanas ev collected folktales from throughout the Russian Empire in what are now regarded as the three East Slavic languages Byelorussian Russian and Ukrainian The result of his own collecting the collecting of friends and correspondents and in a few cases his publishing of works from earlier and forgotten collections is truly phenomenal In his lifetime Afanas ev published more than 575 tales in his most popular and best known work Narodnye russkie skazki In addition to this basic collection he prepared a volume of Russian legends many on religious themes a collection of mildly obscene tales Russkie zavetnye skazki and voluminous writings on Slavic folk life and mythology His works were subject to the strict censorship of ecclesiastical and state authorities that lasted until the demise of the Soviet Union in the 1990s Overwhelmingly his particular emendations were stylistic while those of the censors mostly concerned content The censored tales are generally not included in this volume **The Tale of the Two Virgins** Jenny Francis, 2014-06-28 It is 1963 When General Franco right wing leader of Spain decides to take a short break in the small fishing town of Los Tidos incognito of course a catalogue of events is set in motion that could never have been foreseen by his long suffering security team The outward appearance of Los Tidos is deceptive Within the bougainvillea clad exterior live a rich cast of characters some of whom have love on their minds others murder While local carpenter Jaime tries with limited success to find love using a dating agency his friend Pepe plots to poison his harried wife and town drunk Uncle Pablo causes mischief wherever he goes Pablo s dog Waldorf becomes entangled in the poisoning plot with near calamitous consequences and a honey trap intended to kidnap General Franco goes disastrously wrong when the honey in question mistakes Uncle Pablo for the Spanish dictator And all the time Los Tidos priest Father Miguel is worrying about where he might find two saintly figures for the town s Feast of the Two Virgins an event only celebrated in Los Tidos every 25 years Set against the backdrop of 1960s Spain The Tale of the Two Virgins is a rollicking tale of murderous plans mistaken identities and convoluted affairs of the heart It is ultimately a light humorous read that will appeal to a wide range of readers **Tales of old Japan** A. B. Haney, 2019-08-15 These stories of magic and heroism and of terrifying encounters with Baba Yaga Zmei the serpent and Koshchei the Immortal are surely the best known and best loved folktales of Russia A wondertale tells of a young person's first venture into a perilous world where he or she must solve a riddle pass a test of character or perform a heroic feat In the course of the tale villainy is foiled disaster is averted and the young person is transformed by this successful struggle into an adult The two hundred and fifty wondertales collected and translated here represent at least one example of every tale type known in Russia Each tale is accompanied by commentary and the volume includes a substantial introduction by the editor *The Builders of New Rome and Other Lettish Tales* Rūdolfs Blaumanis, Jānis Akuraters, Kārlis Skalbe, Janis Poruks, 1924 *Old Spouse's Tales About Animals* James F. Gaines, 2013-09-24 There are many myths about animals that have been repeated so many times that most folks believe they are true These myths are often called Old Wives Tales but I firmly believe that many of the beliefs were created by males so I prefer to be politically correct and call them OLD SPOUSES TALES The essays in this book are meant to dispel the Old Spouses Tales about animals and animal related myths that have been propagated for so long that they are accepted as true Some of the truths brought out in this book include the best way to de-skunk a dog not tomato juice The best way to keep a dog's teeth clean without a toothbrush what to feed wild baby birds not worms the cause of antibiotic resistance in humans how to get rid of puppy mills the best training rewards for a puppy are pit bulls really dangerous do rodents need to gnaw a quick way to house break a new puppy and several dozen more surprise truths about pets and animals in general So buy the book and get the answers to the questions above and many more that will surprise you *Catalog of Educational Captioned Films/videos for the Deaf*, 1993 *The Woman Citizen*, 1919
