Welsch has edited a lively collection of stories by some master yarnspinners those old time traveling horse traders Told to Federal Writers Project fieldworkers in the 1930s these stories cover the span of horse trading human and equine trickery orneriness debility and generosity **Tales of an Old Horse Trader** Leroy Judson Daniels, 1989 This is the memoir taped and edited by his cousin of a 108 year old man who died in 1990 Daniels lived mostly between the Missouri and Mississippi rivers He was born in Iowa and farmed and bred all manner of livestock with a particular love of horses More than a review of his life this is an oral recounting of over half the history of America taking in the Civil War the persecution of the Indians Henry Ford s first motorcar and the evolution of the United States of today Goodreads *Tales of an Old Horsetrader* Leroy Judson Daniels, Helen S. Herrick, 1991-07 This is the memoir taped and edited by his cousin of a 108 year old man who died in 1990 Daniels lived mostly between the Missouri and Mississippi rivers He was born in Iowa and farmed and bred all manner of livestock with a particular love of horses More than a review of his life this is an oral recounting of over half the history of America taking in the Civil War the persecution of the Indians Henry Ford s first motorcar and the evolution of the United States of today **Tales of an Old Horsetrader** Leroy Judson Daniels, Helen S. Herrick, 1987 **Horse Trading in the Age of Cars** Steven M. Gelber, 2008-10-01 The trading selling and buying of personal transport has changed little over the past one hundred years Whether horse trading in the early twentieth century or car buying today haggling over prices has been the common practice of buyers and sellers alike Horse Trading in the Age of Cars offers a fascinating study of the process of buying an automobile in a historical and gendered context Steven M Gelber convincingly demonstrates that the combative and frequently dishonest culture of the showroom floor is a historical artifact whose origins lie in the history of horse trading Bartering and bargaining were the norm in this predominantly male transaction with both buyers and sellers staking their reputations and pride on their ability to negotiate the better deal Gelber comments on this point of sale behavior and what it reveals about American men Gelber s highly readable and lively prose makes clear how this unique economic ritual survived into the industrial twentieth century in the process adding a colorful and interesting chapter to the history of the automobile *Tales Of Yore* D. Cameron, 2011-01-14 Ten days of storytelling adapted for young readers from the fourteenth century original One hundred wonderful lusty tales Shipwrecks abductions tricks played by wives on their husbands tricks played by husbands on their wives secret meetings in the dark cheating merchants tricks played on the clergy or by the clergy on their parishioners Each has a message as valid today as it was six hundred years ago **Mule Trader** William R. [The Literary Career of Charles W. Chesnutt](#) William L. Andrews,1999-03-01 The career of any black writer in nineteenth century American was fraught with difficulties and William Andrews undertakes to explain how and why Charles

Waddell Chesnutt 1858 1932 became the first Negro novelist of importance Steering a difficult course between becoming co-opted by his white literary supporters and becoming alienated from them and their access to the publishing medium Chesnutt became the first Afro American writer to use the white controlled mass media in the service of serious fiction on behalf of the black community Awarded the Spingarn Medal in 1928 by the National Association for the Advancement of Colored People Chesnutt admitted without apologies that because of his own experiences most of his writings concentrated on issue about racial identity Only one eighth Negro and able to pass for Caucasian Chesnutt dramatized the dilemma of others like him *The House Behind the Cedars* 1900 Chesnutt's most autobiographical novel evokes the world of bright mulatto caste in post Civil War North Carolina and pictures the punitive consequences of being of mixed heritage Chesnutt not only made a crucial break with many literary conventions regarding Afro American life crafting his authentic material with artistic distinction he also broached the moral issue of the racial caste system and dared to suggest that a gradual blending of the races would alleviate a pernicious blight on the nation's moral progress Andrews argues that along with Cable in *The Grandissimes* and Mark Twain in *Pudd'nhead Wilson* Chesnutt anticipated Faulkner in focusing on miscegenation even more than slavery as the repressed myth of the American past and a powerful metaphor of southern post Civil War history Although Chesnutt's career suffered setback and though he was faced with compromises he consistently saw America's race problem as intrinsically moral rather than social or political In his fiction he pictures the strengths of Afro Americans and affirms their human dignity and heroic will William L Andrews provides an account of essentially all that Chesnutt wrote covering the unpublished manuscripts as well as the more successful efforts and viewing these materials in the context of the author's times and of his total career Though the scope of this book extends beyond textual criticism the thoughtful discussions of Chesnutt's works afford us a vivid and gratifying acquaintance with the fiction and also account for an important episode in American letters and history
