Tales Of Brer Rabbit Nursery Classics Mini:

Book Shelf for Boys & Girls from Nursery Rhyme to Grown-up Time, 1925 *Tales of Brer Rabbit*, 1999 **Literacy Activities for Classic and Contemporary Texts 7-14** Gill Robins, Laura-Jane Evans-Jones, 2016-09-17 English teachers are always keen to explore new ways of motivating their pupils to engage with reading both for learning and for pleasure. Literacy Activities for Classic and Contemporary Texts 7-14 is a practical friendly book which uses the whoosh to cover some of our best known classic and contemporary texts and offers a thoroughly enjoyable way for pupils to become part of the story rather than just passive recipients of it. As an innovative and active learning strategy the whoosh technique allows all students regardless of gender, age, ability, learning need or command of language to partake on an equal footing. For younger pupils the activities in this book provide an ideal way to internalise structure and key elements in story telling through physical response. For older students they provide an enjoyable way to engage with challenging texts as well as facilitating the analysis of themes, issues, characterisation and setting. Students themselves become the story as its characters, sounds and even objects once they are familiar with whooshing. Many students will want to write and produce a whoosh of their own. Classic authors and texts covered by this book include Aesop's fables, Greek myths and legends, Beowulf, Sir Gawain and the Green Knight, Oscar Wilde, Shakespeare, The Tempest, Twelfth Night, Hamlet, A Midsummer Night's Dream, Charlotte Brontë, Charles Dickens, George Eliot, Robert Louis Stevenson, Mary Shelley, Andrew Norriss, Frank Cottrell Boyce, Nina Bawden, Michelle Magorian and much more. You can use a whoosh to introduce a new text, to examine conflict, dilemma, plot, setting or characterisation, whoosh a controversial section of text to provoke discussion or overcome reluctance to engage with archaic language, by whooshing key sections of a story. Discussion starters, lesson objectives and follow up activities are included throughout the text alongside the whooshes and scripts enabling pupils to deliver dialogue. The book's eResource. This book is an invaluable resource providing whooshes across a wide range of genres to meet the learning needs of children from 7 to 14 for both practising primary and lower secondary teachers. **The Oxford Companion to Children's Literature** Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books. A fascinating reference guide to the world of children's literature, this volume covers every genre from fairy tales to chapbooks, school stories to science fiction, comics to children's hymns. **The Review of Reviews** William Thomas Stead, 1907 *Library Work*, 1909 **Anthology of Children's Literature** Evelyn Ray Sickels, Frances Clarke Sayers, 1970 An anthology of nursery rhymes, poetry, epics, mythology and folklore, fiction and non-fiction for children. Shakespeare as Children's Literature Velma Bourgeois Richmond, 2008-05-14 Although William Shakespeare is widely regarded as the greatest writer in the English language he traditionally receives little notice in studies of children's literature However there is a fascinating relationship between Shakespeare and children's interests and the Bard's works have been successfully adapted for children's use over several centuries This book continues and parallels the author's previous study Chaucer as Children's Literature as part of a greater endeavor to evaluate the significance of traditional literature retold as children's literature in modern English studies It examines the ways in which William Shakespeare's stories have been adapted for children particularly in Mary and Charles Lamb's Tales from Shakespeare which was almost immediately recognized as a classic of children's literature when it was first published in 1807 The author describes the significance of the Lamb's Tales as the pre eminent children's adaptation of Shakespeare's literature focusing particularly on the lavishly illustrated Edwardian editions which used pictures to convey Shakespeare's stories for children Other topics include Victorian alternatives to the Lambs stories including anthologies from David Murray Smith Abby Sage Richardson and Mary Seymour the lavish illustrations of Shakespeare's stories found in antique English textbooks Shakespeare in nursery books including sophisticated collections from Mary Macleod Thomas Carter Alice S Hoffman and other noted authors and Shakespeare in multi volume American collections including The Children's Hour Journeys through Bookland and The Junior Classics
