Tales Of Horror And Mystery:

Tales of Horror and Mystery Egmont Books, Limited, 1993 *Tales of Mystery and Horror* Arthur Conan Doyle, Rudyard Kipling, Edgar Allan Poe, 1966 **Tales of Mystery and Horror** Maurice Level, 2021-03-02 Twenty six stories translated from the French by Alys Eyre Macklin with introduction by H B Irving Originally published in 1920 these are twenty six tales stories of human passion from which the conventional glass has been stripped by the hand of a master of terrible crimes of fine sacrifices of jealousy driving to madness of haunting fears of passionate love there are no fundamental emotions that Level has not used which telling effect as the mainsprings of his stories He has written them with an artistry which redeems them from sordidness and sensationalism and which has made him famous in his own country as a new master of the terrible H P Lovecraft himself observed in *Supernatural Horror in Literature* 1945 when speaking of Level s style This type however is less a part of the weird tradition than a class peculiar to itself the so called conte cruel in which the wrenching of the emotions is accomplished through dramatic tantalizations frustrations and gruesome physical horrors Critic Philippe Gontier wrote We can only admire now almost one hundred years later the great artistry with which Maurice Level fabricated his plots with what care he fashioned all the details of their unfolding and how with a master s hand he managed the building of suspense Level s stories with their gratuitous acts and mindless brutality may be seen as precursors of thriller fiction and slasher films **Tales of Mystery and Horror** Edgar Allan Poe, 1895 *Tales of Mystery and Horror* Alys Eyre Macklin, Maurice Level, 2017-08-20 **Scary Stories to Tell in the Dark** Jonh Stories, 2020-05-23 Are you an avid fan of scary stories Rather than frightening you the sordid tales of gruesome deaths and ghastly ghosts fascinate and stimulate you so you are always on a quest for terror filled tales Terror filled stories are read to test one s nerves and obviously to scare Moreover it s the mystery mingled with the horror that really beckons people to pick up a scary story They can t live without satisfying their curiosity After all the tales with a hidden killer or a ghost s possession are weaved with an underlying depth of mystery Scary stories can set your heart racing and scare the wits out of you You read them for your entertainment and because you are fascinated by the terror emphasized in them But what exactly are they Horror stories are those tales that captivate readers via either bloodshed or supernatural beings like ghosts or demons Paranormal beings terrify us because they have powers that are beyond our comprehension On the other hand scary stories also illustrate the dark side of humans and what they are capable of doing if evil rests in their hearts A person only gets frightened of what they actually fear but fear is a rather broad term Everyone is afraid of one thing or the other The mere mention of ghosts might make you tremble but your friends might enjoy ghost stories and they can abide with gruesome stories of ruthless killings and lot of blood Despite the aftereffects of these stories nightmares trouble going to the bathroom alone people still can t seem to get enough of them Readers are spurred on to continue reading by nerve wrecking questions like why who how and what will save the victims This book contains some interestingly macabre and hair raising short stories that will entice you

and your terror loving spirit Horror and mystery go hand in hand to bring you short stories that will provide you with tales worth remembering These six short stories are an interesting read if you re looking for something scary riddled with mystery to read What are you waiting for Buy now Tales of Horror and Mystery Edgar Allan Poe, Crises Maurice Level,1921
