Tales Of The Plumed Serpent Aztec Inca And Mayan Myths:

Tales of the Plumed Serpent Diana Ferguson, 2000 Three great civilizations each with a culture as strong colorful and complex as those of the more familiar Greece and Rome Through their enduring mythology the Mayas of Yucatan the Aztecs of Mexico and the Incas of Peru have left us tantalizing images of their now disappeared societies once among the most advanced on earth Illustrated with more than 100 photographs of important artifacts and archeological sites this rich and fascinating collection reveals their visions of the creation of the world and its destruction and recreation the forces of nature life death and destiny and animal spirits 21 legends in all each touched with magic and mystical power include the Aztec tale The Feathered Serpent the Mayan myth of The Rain Goddess and the Egg Child the Incan story How Macao Capac Made the First People Bonus a list of Gods and Goddesses Dominated by gods of cosmic stature of the sun and moon of the planet Venus and the stars of rain and wind of earth and of death Tales of the Plumed Serpent draws on the original myths of the Maya Aztec and Inca peoples to create a compelling narrative The book also features insights into the culture and symbolic imagery of the Maya Aztecs and Incas together with traditional poems which evoke the spirit of these lost civilizations Each tale is illustrated with glittering artefacts and photographs of the ancient sites The latest in the successful series of ancient mythologies that includes *Chronicles of the Celts* *Chronicles of Ancient Egypt* and *Greek Myths and Legends* Myths of the Aztecs Herald P. McKinley, 2015-12-15 Learn the history geography and life of Aztecs and use these tools to investigate Aztec religions myths and rituals Check out maps sidebars and more

Water Beings Veronica Strang, 2023-04-19 Looking to the vast human history of water worship a crucial study of our broken relationship with all things aquatic and how we might mend it Early human relationships with water were expressed through beliefs in serpentine aquatic deities rainbow colored feathered or horned serpents giant anacondas and dragons Representing the powers of water these beings were bringers of life and sustenance world creators ancestors guardian spirits and lawmakers Worshipped and appeased they embodied people's respect for water and its vital role in sustaining all living things Yet today though we still recognize that water is life fresh and saltwater ecosystems have been critically compromised by human activities This major study of water beings and what has happened to them in different cultural and historical contexts demonstrates how and why some but not all societies have moved from worshipping water to wreaking havoc upon it and asks what we can do to turn the tide *The Ancient Maya* Virginia Schomp, 2010 Explores the mythology of the ancient Maya one of history's greatest civilizations

Cultural Foundations and Interventions in Latino/a Mental Health Hector Y. Adames, Nayeli Y. Chavez-Dueñas, 2016-07-07 Advancing work to effectively study understand and serve the fastest growing U S ethnic minority population this volume explicitly emphasizes the racial and ethnic diversity within this heterogeneous cultural group The focus is on the complex historical roots of contemporary Latino as their diversity in skin color and physiognomy racial identity ethnic identity gender differences immigration patterns and acculturation The work highlights how the complexities inherent in the diverse Latino a

experience as specified throughout the topics covered in this volume become critical elements of culturally responsive and racially conscious mental health treatment approaches By addressing the complexities within group differences and racially heterogeneity characteristic of U S Latino as this volume makes a significant contribution to the literature related to mental health treatments and interventions

Storytelling Josepha Sherman,2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions Storytelling An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions

Daughter of the Stones Alexandra Walsh,2025-10-23 Dive into a BRAND NEW richly atmospheric enchanting and mesmerising novel that weaves ancient magic family secrets and timeless love into an unforgettable story spanning the ages Perfect for fans of Barbara Erskine Lucinda Riley and Irina Shapiro When Caitlin King s father collapses on the eve of the summer solstice she s drawn back into the tangled web of her already fragile family and strange visions begin to haunt her Visions of another life another time and a woman who looks uncannily like herself In Iron Age Britain Cordelia is the third daughter of chief Lear Bladudsunu and a gifted shaman But she is left grief stricken when betrayal ambition and patriarchal power threaten everything she holds dear Linked across the centuries Caitlin and Cordelia each face devastating choices As Cordelia fights to protect her people from destruction Caitlin finds herself drawn deeper into the mysteries of the past As the veil thins between past and present can Caitlin unravel the truth of her own heritage in time to heal old wounds and unite her fractured family Alexandra Walsh s mystical new novel is a richly layered tale of sisterhood legacy and the enduring power of love Praise for Alexandra Walsh A fabulously intricate tapestry of a story rich in historical detail Eva Glyn Alexandra Walsh weaves a perfectly crafted dual timeline tale that will enthrall and delight the reader from the first words until the very last sparkling moment Elena Collins An atmospheric emotional story that becomes addictive reading as the connections and secrets reveal themselves Reader review I absolutely loved this beautifully written and characterful novel Carol McGrath Alexandra Walsh is a master storyteller and does historical time hops so well Stays with you a long time after you turn the last page Michelle Rawlins A marvellous dual timeline novel that delighted my senses as the past explodes to life Reader review

Water Veronica Strang,2015-04-15 As any scientist will tell you there is no substance more vital than water Our history is necessarily a history with water whether we have irrigated our fields with it cooled our machines washed ourselves drank it down deeply or even worshipped it In Water Veronic Strang ladles through

the rich history of our interaction with water offering an accessible examination of the crucial properties that make water so unique alongside the complex story of our evolving relationship with it As Strang shows our attitudes about water and the things that we rely on it for have changed dramatically over time Once a mystical source of regenerative powers it has since played various roles as our attitudes about hygiene health and disease have developed as it has become useful to our industry as agriculture has become ever more complex and of course as we have learned to make money from it Today water who controls it and how is one of the largest issues facing our society influencing everything from the welfare of the billions of people living on earth to the vitality of its natural habitats Balancing history science and environmental and cultural studies Strang offers an important multi faceted view of a critical resource The Publishers Weekly ,2001 **The British**

National Bibliography Arthur James Wells,2001 *British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain* ,2002 **Dragons of Fantasy** Anne C. Petty,2004 Are you a dragon lover One of those people like J R R Tolkien who have always desired dragons of one sort or another If your answer is yes then get in line with devoted dragon fans like author Anne Petty who has been reading and thinking about dragons for years especially as they appear in fantasy fiction Petty asks What is a dragon What does it look like and how does it behave What image pops into your mind when you read the word dragon You are invited on a quest for dragons of fantasy literature for an in depth look at the scaly characters on the page and the skilled writers who created them A longtime dragon admirer Tolkien scholar Petty takes readers on an adventurous ride over the hills and far away into realms populated by the likes of Smaug Ramoth Norbert and Orm Embar just to name a few Authors under discussion include J R R Tolkien Anne McCaffrey Terry Pratchett Ursula Le Guin Jane Yolen Terry Goodkind and J K Rowling there s also an in depth background section on the history of dragons in myth and literature plus an extensive bibliography Happy dragon hunting Back cover *Latin America* Juan Manuel Pérez,2004 This is a general bibliography on Latin America covering a wide variety of subjects from pre Columbian civilizations to Columbus to Castro to the foreign debt to pollution ect This work will not only be of use to the general casual reader on Latin America but also to the more specialized researcher The book contains over 800 topics with over 8 000 titles identified **Subject**

Guide to Books in Print ,1971 **The Greatest Civilizations of the Americas** Charles River Editors,2025-05-05 Many ancient civilizations have influenced and inspired people in the 21st century The Greeks and Romans continue to fascinate the West today But of all the world s civilizations none have intrigued people more than the Mayans whose culture astronomy language and mysterious disappearance all continue to captivate people In 2012 especially there has been a renewed focus on the Mayans whose advanced calendar has led many to speculate the world will end on the same date the Mayan calendar ends The focus on the doomsday scenario however has overshadowed the Mayans true contribution to astronomy language sports and art From the moment Spanish conquistador Hernan Cortes first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the

Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral system and calendar the Aztecs have primarily been remembered in a far narrower way despite continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more During the Age of Exploration Native American tribes fell victim to European conquerors seeking legendary cities made of gold and other riches attempts that were often being made in vain And yet of all the empires that were conquered across the continent the one that continues to be most intimately associated with legends of gold and hidden riches is the Inca Empire The Inca Empire which flourished in modern day Peru and along the west coast of South America was the largest Native American empire in pre Columbian America until Pizarro and the Spanish conquistadors conquered them in the 16th century What ultimately sealed their doom was the rumor that huge amounts of gold were available in regions south of the Andes Mountains Though the Spanish physically conquered them in quick fashion the culture and legacy of the Inca Empire has continued to endure throughout the centuries in both Europe and South America due in no small part to the fact they were one of the most advanced and sophisticated cultures on the continent Like the Aztecs the Spanish burned much of the Inca's extant writings but it is estimated that as many as 35 million once fell under their banner and the empire's administrative skills were so sharp that they kept accurate census records Their religion organization and laws were also effectively centralized and tied to the rulers of the empire and their military mobilization would have made the ancient Spartans proud After the Spanish conquest several rebellions in the area attempted to reestablish the proud Inca Empire over the next two centuries all while famous Europeans like Voltaire glorified the Inca Empire in optimistic artistic portrayals The mystique and aura of the Inca continue to fascinate the world today and nowhere is this more prominent than at Macchu Picchu *Books in Print Supplement* ,2002 *Mexican Life* ,1947

Multicultural Children's Literature Donna E. Norton,2009 With the growing number of ethnic minority students in public schools it is very important for teachers librarians and all those who work with children to have an understanding of appropriate multicultural literature This book and the literature selections are designed to develop heightened sensitivity and understanding of people from various cultures and traditions through the selection of carefully chosen literature It includes a balance of research about the culture and the literature a discussion of authentic literature for students from early childhood

through young adults and teaching activities designed to develop higher cognitive abilities The book uses a unique five phase approach for the study of multicultural literature that has been field tested Mayan and Aztec Mythology Jim Ollhoff,2011-08-15 Who is Itzamna What is Xolotl Why are myths so important in our lives Myths are a rich source of history People use them to make sense of our world Even before myths were written down people told and retold the stories of the gods and goddesses of their homeland Readers of Mayan and Aztec Mythology will learn the history of myths as well as their deeper meaning From the Aztec feathered serpent god Quetzalcoatl to the Mayan rain god Chac this book helps kids understand the myths that shape and direct people s lives Abdo Daughters is an imprint of Abdo Publishing a division of ABDO *The Myths of Mexico & Peru* Lewis Spence,2020-07-16 The Myths of Mexico Peru is a detailed study on the history and mythology of ancient Aztecs and Incas providing valuable information to allow understanding into the background of Latin American heritage The book includes tales of the myths of creations legends of numerous Mesoamerican Gods such as Quetzalcoatl Tlaloc Tezcatlipoca and Huitzilopochtli and many other interesting folk tales of the ancient tribes of Mexico and Peru
