65 Great Tales of the Supernatural Mary Danby, 1979 The Kevin Arnett Collection Kevin Arnett, 1986 Haunters and the Haunted Ghost Stories and Tales of the Supernatural Ernest Rhys, 2018-06-29 The Haunters Sit t qu on le touche il r sonne De Beranger During the whole of a dull dark and soundless day in the autumn of the year when the clouds hung oppressively low in the heavens I had been passing alone on horseback through a singularly dreary tract of country and at length found myself as the shades of the evening drew on within view of the melancholy House of Usher I know not how it was but with the first glimpse of the building a sense of insufferable gloom pervaded my spirit I say insufferable for the feeling was unrelieved by any of that half pleasurable because poetic sentiment with which the mind usually receives even the sternest natural images of the desolate or terrible I looked upon the scene before me upon the mere house and the simple landscape features of the domain upon the bleak walls upon the vacant eye like windows upon a few rank sedges and upon a few white trunks of decayed trees with an utter depression of soul which I can compare to no earthly sensation more properly than to the after dream of the reveller upon opium the bitter lapse into everyday life the hideous dropping off of the veil There was an iciness a sinking a sickening of the heart an unredeemed dreariness of thought which no goading of the imagination could torture into aught of the sublime What was it I paused to think what was it that so unnerved me in the contemplation of the House of Usher It was a mystery all insoluble nor could I grapple with the shadowy fancies that crowded upon me as I pondered I was forced to fall back upon the unsatisfactory conclusion that while beyond doubt there are combinations of very simple natural objects which have the power of thus affecting us still the analysis of this power lies among considerations beyond our depth We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Ghosts and Golems Malka Penn, Michele Palmer, Theodor Black, 2003-07-01 A collection of ten original contemporary stories of the supernatural which reflect a Jewish tradition that can be traced to the biblical story of Saul and the spirit of Samuel The Weiser Book of the
