Rabbit-cadabra! James Howe, 2007-08-07 When Chester learns that the Amazing Karlovsky will use a rabbit in his school magic show he comes up with a plan to stop vampire bunnies Scared Silly James Howe, 2006-08 Harold Chester and Howie have a harrowing Halloween night worrying about Bunnacula as well as about a witch who comes into the house

Howliday Inn James Howe, 2012-01-03 Harold and Chester could hardly believe it The Monroe family was going on vacation without them Bunnacula the family rabbit would be boarded with a neighbor But they the family's loyal dog and cat were to be sent away with strangers they were to spend a week at Chateau Bow Wow Chateau Bow Wow observed Chester soon after they arrived could more properly be called Howliday Inn Though what was howling neither of them knew Chester had his suspicions however only a werewolf could make that chilling sound Return to Howliday Inn James Howe, 2012-01-24 First there is the omen A relentless rain stops suddenly at 3 00 am and Chester shows Harold and Howie a cat carrier open and waiting by the front door Chester who has been reading avidly about the paranormal predicts that they will soon be traveling someplace and chances are they are not going to like it Indeed they are not as the very next day with the sun shining bright and clear the Monroes finally leave for their vacation dropping Chester Harold and Howie off at the scene of some previous harrowing experiences Chateau Bow Wow the boarding kennel that Chester so aptly had dubbed Howliday Inn And this visit promises to be no less harrowing than the last one The three are greeted by a whole new group of temporary residents There's Hamlet the Great Dane whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up And Bob and Linda a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow Wow with a more than adequate supply of gourmet treats also seem to have been left with a more than adequate supply of worries Then there are Felony and Miss Demeanor sinister sisters in crime who pride themselves as cat burglars and The Weasel who tries almost too hard to make a good impression Chester is certain that nothing bodes well and he is right Unexplained voices buried bones a collar with the name Rosebud on it and a secret code all make for a paranormal experience that none of the guests at Chateau Bow Wow will ever forget **Nighty-Nightmare** James Howe, 2012-01-24 An overnight camping trip Not Harold's idea of fun Too many mosquitoes ticks and cockleburrs But when the Monroe family set out their faithful dog Harold was with them mostly because he remembered that camping could also bring s'mores and toasted marshmallows Howie the other family dog and Chester the cat were also included in the trip Only Chester thought the idea was completely insane The woods he informed Harold were not only full of cockleburrs and ticks but of spirits evil spirits who prey on the innocent And on this the worst night of the year St George's Eve when all spirits are set loose who knew what could happen What Harold knew was that Chester was a well read over stimulated cat full of weird ideas He did not take Chester's worries too seriously He had s'more to think about But then the Monroes set up camp near two strange men and their even stranger dog and things began to happen that made even Harold wonder Could

Chester be right This begins a long night full of terrors and alarms full of Chester s horrifying tale of how Bunnacula the vampire bunny was born and came to America full of storms and a total sense of danger and at the end came surprises that even Chester could not have predicted Once again the Monroe family may be the victims of evil forces or only of Chester s strange imagination But whichever the result is suspenseful and very very funny **Bunnacula (Novel Study) Gr. 4-7**
