Tales Of The Qing Court:

Tales of the Qing Court Hu Fu,1997 Tales of the Qing Court Fu Hu,1990 **Tales of Translation** Ying Hu,2000

The figure of the New Woman soon to become a major signpost of Chinese modernity was in the process of being formed at the turn of the 20th century This book shows how the construction of the New Woman was influenced by the fictional and translational representation of a range of Western female icons including the French Revolutionary figure Madame Roland and Dumas s Dame aux camelias *Turbulent Decade* Jiaqi Yan,Gao Gao,1996-01-01 The Great Proletarian Cultural Revolution occurred in the second decade after Mao Zedong and his comrades came to power in 1949 A comprehensive narrative account of this colossal event written by Yan Jiaqi one of the principal leaders of China s pro democracy movement and his wife Gao Gao a noted sociologist appeared in Hong Kong in 1986 and was quickly banned by the Communist government Not surprisingly censorship and restricted circulation in China resulted in underground reproduction and serialization The work was thus widely read coveted and appreciated by a populace who had just freed itself from the cultural drought and political dread of the event Yan and Gao later spent two years revising and expanding their work The present volume *Turbulent Decade A History of the Cultural Revolution* is based on the revised edition and has been masterfully edited and translated by D W Y Kwok in consultation with the authors Following Professor Kwok s eloquent introduction and a short foreword in which the authors analyze the basic causes of the Cultural Revolution Part One of the narrative focuses on the years 1965 1967 In two short years Mao managed to turn public opinion against Liu Shaoqi president of the Republic and launch the Cultural Revolution The reader is introduced to the Red Guards and encounters the cult of personality the first resistance to the Cultural Revolution the attack on Zhou Enlai and the persecution and death of Liu Shaoqi Part Two examines the rise and fall of Lin Biao during the years 1959 1971 Lin s bid for power which began with the consolidation of his personal clique in the army and mass level persecution in the late stages of the Cultural Revolution ended in a failed coup and his death in an air crash Part Three follows Jiang Qing from 1966 to her arrest in 1976 for her part in instigating mass violence and the persecution of key figures including Zhou Enlai During this period the political fortunes of Deng Xiaoping rose and fell for a second time the first protest at Tiananmen Square in 1976 ended in a bloody suppression and that same year the Gang of Four were arrested Unlike social scientific treatments of political phenomena *Turbulent Decade* includes little discussion of economics still less of international relations and no institutional analysis Instead the authors fervent belief in the truthful telling of history through its leading personalities pervades the work **The Missionary's Curse and Other Tales from a Chinese Catholic Village** Henrietta Harrison,2013-06 The Missionary s Curse tells the story of a Chinese village that has been Catholic since the seventeenth century drawing direct connections between its history the globalizing church and the nation Harrison recounts the popular folk tales of merchants and peasants who once adopted Catholic rituals and teachings for their own purposes only to find themselves in conflict with the orthodoxy of Franciscan

missionaries arriving from Italy The village's long religious history combined with the similarities between Chinese folk religion and Italian Catholicism forces us to rethink the extreme violence committed in the area during the Boxer Uprising The author also follows nineteenth century Chinese priests who campaigned against missionary control up through the founding of the official church by the Communist Party in the 1950s Harrison's in depth study provides a rare insight into villager experiences during the Socialist Education Movement and Cultural Revolution as well as the growth of Christianity in China in recent years She makes the compelling argument that Catholic practice in the village rather than adopting Chinese forms in a gradual process of acculturation has in fact become increasingly similar to those of Catholics in other parts of the world

The A to Z of the Chinese Cultural Revolution Guo Jian, Yongyi Song, Yuan Zhou, 2009-09-17 The Cultural Revolution in the

People's Republic of China started in 1966 and lasted about a decade. This revolutionary upsurge of Chinese students and workers led by Mao Zedong wreaked havoc in the world's most populous country, often turning things upside down and undermining the party government and army while simultaneously weakening the economy, society, and culture. Tens of millions of people were killed, injured, or imprisoned during this period, and relatively few benefited, aside from Mao Zedong and the Gang of Four, the group that would eventually receive the blame for the events of the Cultural Revolution. Given the turbulence and confusion, it is hard to know just what happened. The A to Z of the Chinese Cultural Revolution tackles this task. First, in an extensive chronology which traces the events from year to year and month to month, then in an introduction puts these events in context and helps to explain them. But most importantly, the bulk of the information is provided in a dictionary section with numerous cross-referenced entries on important persons, places, institutions, and movements. A bibliography points to further sources of information, and a glossary will help those researching in Chinese.

Ascendant Peace in the Four Seas Ye Xiaoqing, 2012-07-20 On an autumn morning in 1793 Lord Macartney waited to be ushered into the imperial summer retreat to take part in the celebration of the Qianlong Emperor's 82nd birthday It was a long day the celebration drama *Ascendant Peace in the Four Seas* lasted five hours There were many scenes

of fish turtles and other sea creatures and Macartney guessed it must have had something to do with the marriage between the ocean and land. He could not have been more wrong. For the Qing court entertaining foreign visitors was only one of the numerous ritual and political purposes dramas served. Delving into a rich collection of firsthand materials, the author meticulously excavates and combs historical data including court records, eunuchs' memoirs, pictorial archives of opera costumes, and period news. She investigates the development of imperial drama and its influence on the Peking Opera as well as the function and system of imperial organizations responsible for drama. Also discussed are the complex roles of the actors on and off stage and the broader issues of cultural and political influence intertwined with the performances themselves. The book thus presents us not only an art history of Peking Opera but also a vivid scrollpainting of the socialcultural life both in and beyond the Forbidden City.

Utopian Fiction in China Shuk Man Leung, 2023-09-29

Unlike previous studies that have examined the late Qing utopian imagination as an ahistorical motif, a literary theme, and a translation phenomenon, in this book Shuk Man Leung considers utopian fiction as a knowledge apparatus that helped develop Chinese nationalism and modernity. Based on untapped primary sources in Chinese, English, and Japanese, her research reveals how utopian imagination blooming after Liang Qichao's publication of *The Future of New China* served as a tool of knowledge formation and dissemination that transformed China's public sphere and catalysed historical change. Embracing interdisciplinary approach from genre studies, studies on modern Chinese newspapers, and intellectual history, this book provides an analysis of the development of utopian literary practices, epistemic meanings, and fictional narratives, and the interactions between traditional and imported knowledge that helped shape the discourse in early 20th century China.
