The book cover features a photograph of several men in traditional Afghan attire, including turbans and long coats. The central figure is a man with a dark beard and a turban, looking directly at the camera with a serious expression. He is wearing a light-colored, possibly khaki, jacket over a dark shirt. To his left, another man in a white turban and dark jacket is partially visible. In the background, other men in similar clothing are blurred. The overall tone is somber and documentary.

The Restless Door, a powerful artifact with the ability to create portals to any dimension, has fallen into the hands of the Mistress of the Sculptra and the Soul Glutton. They are likewise struggling to get along and disagreeing about how to solve the overall problem. Their paths are diverging, which for Buffy feels a lot like betrayal. The result is that while Dawn and Xander are stranded in another dimension and waiting for a rescue, Willow, Giles, Spike, and Buffy are having trouble fighting the growing problems on Earth even while they search for a way to bring Dawn and Xander home. To make matters worse, a new Big Bad makes a move to capture the magical rule book with disastrous results.
