## Talk Of God:

**A Little Talk With God** Jackie Caldwell, 2020-07-08 A Little Talk with God is about taking some Psalms out of the Bible and applying them to your life You can pray certain Psalms at night to God and praise him I picked out some that could be applied to your life When you pray at night take some of these Psalms and use them for your daily life Praise the Lord for he is good I have had some experiences with God and I included them in this book Sing to God certain Psalms out of the Bible for any situation you are in and use this book at night when you pray and feel like praying for your enemies I even used some of these Psalms in my life and that s when I had experiences *Talking about God* Stephen Saccone, Cheri Saccone, 2018 Evangelism is intimidating But talking is natural a vital part of every meaningful relationship you ve ever had Steve and Cheri Saccone demonstrate that talking about God is simple when we commit first to loving and listening to our friends For people who want their friends to know Jesus Talking about God offers refreshing portraits of natural organic God directed conversations that honor the people we love Page 4 of cover **You Can Hear the Voice of God** Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You re not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it s truly God talking and not my own thoughts But here s the good news Hearing God is simpler than you think It s possible to have a relationship with God that involves both speaking and listening In fact it s God s desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you d hear God s voice but expecting to hear it Sampson s uncomplicated practical perspective will help you cultivate the two way conversation with God you ve always longed for Before long you ll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don t settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God s still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida *Prayer Is Simply Talking to God* Pauline Adongo, 2016-12-20 A good number of Christians shy away from praying because of misconceptions and fears they have about prayer Most are inundated with misinformation and false beliefs about what qualifies as a good prayer This book was birthed out of a deeper desire and hunger for each believer to recognize the power of prayer that they can institute and practice independently Prayer itself as well as the approach to prayer and attitude towards prayer are simplified in this book granting readers the freedom to pray Prayer when rendered to the Holy Spirit produces more Among the key topics that are discussed in this book are Aspects of prayers Common misconceptions about prayer Benefits of prayer Holy Spirit led prayer the role of the Holy Spirit in prayer Praying from a victorious position in spiritual warfare How to pray while waiting for the answer How to incorporate prayer in daily routine All of these have been shared so as to free the reader

to simply talk to God     Let God Talk to You Becky Tirabassi,2010-09 Shows readers how to connect with God in a two way conversation that will satisfy the longing of their souls to know God and be loved by Him     We Talk to God in Prayer Thomas Schaff,2002-05-09     *Girl Talk With God* Susie Shellenberger,2001-08-11 Most Christian teens don t know how to pray And when they do pray they don t know how to discern God s voice In *Girl Talk With God* author Susie Shellenberger shows teens how to pray and challenges them to deepen specific areas in their lives through a series of conversations between God and a teenage girl As editor of *Brio* magazine a Focus on the Family publication for teenage girls with a circulation of over 200 000 Shellenberger has proven a keen ability to reach this often misunderstood age group with her signature blend of casual non threatening teaching     **Speaking of God** Robert D. Cornwall,2023-01-30 Theology is a complex subject with many subdisciplines and is know for thick volumes with dense prose This book bucks that trend but hitting the basics briefly but carefully In this 50th volume of the Topical Line Drives series theologian and church historian Dr Robert D Cornwall provides a clear introduction to the basics His approach is not to give you a set of beliefs about God but rather to provide you with an introductory foundation to the way Christians talk about God Key concepts such as omnipotence impassibility transcendence immanence and yes love along with many others The content is brief but carefully designed as a launching pad for further study Read this book in order to make all your other theological reading more profitable It will keep you from missing out because some of the basic were passed over or were obscured by extensive discussion Besides individual reading this volume is useful as an introductory reading in theology courses or for small groups in churches who would like to better understand their other curricula and more profitably discuss their ideas about God

Exploring God-talk Jeff Astley,2004 Exploring God talk maps the contours of religious language It surveys the variety of ways in which religious believers both speak to God and speak about God and tries to respond to the serious criticisms that have been raised of different aspects of our God talk Beginning with an overview of the variety of ways in which language is used in faith and religion the book moves on to consider the functions of language in religious experience and the religious life particularly in prayer and worship Two chapters are devoted to a consideration of the important area of descriptive God talk both figurative and literal Problems relating to the meaningfulness of religious language and the interpretation of the Scripture are also addressed and the pastoral and ethical significance of God talk explored Illustrations are drawn throughout from both everyday speech and the Christian tradition     *Talking with God* St. Alphonsus Liguori ,2011-07-31 Talking with God contains four of St Alphonsus Liguori s works detailing the mysteries of the interior life The Way to Converse with God A Short Treatise on Prayer Mental Prayer and The Presence of God Within these works St Alphonsus stresses the importance of the inner life the ease with which we can converse with God on how the eternal truths are revealed to us the absolute necessity of prayer and how all is eventually lost without prayer He directs us as to how to talk with God explains how God answers us how God listens to the prayers of everyone and shows us how to continually have God

*What We Talk About When We Talk About God* Rob Bell, 2013-03-12 How God is described today strikes many as mean primitive backward illogical tribal and at odds with the frontiers of science At the same time many intuitively feel a sense of reverence and awe in the world Can we find a new way to talk about God Pastor and New York Times bestselling author Rob Bell does here for God what he did for heaven and hell in *Love Wins* he shows how traditional ideas have grown stale and dysfunctional and reveals a new path for how to return vitality and vibrancy to how we understand God Bell reveals how we got stuck why culture resists certain ways of talking about God and how we can reconnect with the God who is with us for us and ahead of us pulling us forward into a better future and ready to help us live life to the fullest [Talk to Him](#) Katleho Moloi, 2010-11-24 *Talk to Him* is a book which talks about the journey which one needs to take in learning how to talk God how to establish a relationship with your creator The book does not put prayer aside as there is a chapter in the book which talks about the importance and simplicity yet powerful force that prayer has [God Talk](#) Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God s voice And many believers testify to God s conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we re alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don t feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God s voice In *God Talk* Tucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don t hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God *How to Talk with God* MR William S Black, 2016-01-09 God rescued me and pulled me out of dark places again and again while bringing healing and help of every kind Consequently my love for Him is intense and my gratitude overflowing I owe everything to Him and cannot repay even the smallest part In one of these darkest most painful

times I learned for myself that God is as close as you allow Him to be He has real power that I'd read about a thousand times but then experienced firsthand This was when I gained a sure knowledge that God hears and does answer our sincere prayers I learned that answers could come in real time I also discovered that you can figure out almost anything just from asking God Yes No questions and getting really good at detecting what each of those two responses feels like to you personally Once you have that difference clear then you can have confidence receiving and acting upon this most basic form of personal revelation How to talk with God is a simple guide for anyone who wants to begin or improve their communication with God The most effective tools are often the most simple and William Black maintains the simplicity while advancing the reader through the steps of communicating with God as one would speak with a father or trusted friend With light humor and engaging examples the reader is carried along a sweet and poignant journey culminating in an invitation to personally take part in The Glorious Conversation that is open to all How to talk with God brings insight clarity and will be read again and again
