**Surviving Marriage** R. Harper Mason,2011-12-16      **Sexperiment** Ed Young,Lisa Young,2012-01-10 The predominant message in our culture is that it s okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn t taken it far enough God wants couples to make love in marriage with passion with purpose and with pleasure Marriages aren t experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it s more than a chore The Youngs believe it s time to get back to understanding the context of sex in marriage and that it s time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks      **Pathway to Intimacy** Carol Welch,2008-02 Does your marriage need a tune up

**How Just One Spouse Can Improve Their Marriage** Dr. Mark Avery Reed,2025-01-02 A hopeless spouse doesn t mean a hopeless marriage Have you ever felt hopeless about your marriage improving because it seems that your spouse is unwilling to change You don t think your marriage can get better because you believe your spouse is hopelessly unwilling to change and you assume that their changing is necessary for marital improvement to begin That assumption is wrong Seemingly stubborn resistance to change can be overcome However it needs to start with us not with our spouse This book provides many ways we can act differently to increase the chances our marriage will eventually get better These are changes we can make that will cause us to be much more attractive to a normal spouse and in time is likely to soften them so they do end up changing We are not manipulating them to change but making improvements in ourself and in how we interact with our spouse As a result our interactions with them are different better The changes recommended in this book are not complicated or too difficult for a normal person to do In addition they don t all have to be done at the same time You could choose the approach that is doable for you then add in others later A few of these include acting like a better friend to your spouse improving your manners with them and or frequently expressing gratitude to them Improve your marriage by improving yourself

**Redeemed Sexuality** Tim Konzen,Dr. Jennifer Konzen,2019-03-12 You are a sexual person Whether you are single or married a teenager or an older single adult God created you as a sexual person So how do we inhabit our sexuality in a way that brings honor to God And what exactly is sexuality Is it just sexual intercourse Or is it perhaps something much greater God created them male and female From the moment of our conception we are born in this act of creation as a sexual being God s creation was the work of a master artist It is vital that we discover both the artwork and the artist God intended for sex to be a wonderful good When someone allows God to guide them in how they engage in sex it can

be However sometimes sexuality has become a source of shame guilt pain confusion frustration and sorrow Sexual challenges can come from the choices we make from the things that others do against us and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex Those challenges can also come from the lack of being able to talk openly about sex Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid biblical answers to some of the very real questions you have You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same old trite and empty arguments about purity Just wait or Just repent or God has a plan Be patient So how do we reconcile God's intricate and amazing plan for sex with the devastation destruction and frustration that sex outside of His plan can cause How can we pursue purity and honor sexuality at the same time What exactly is God's plan for sexuality for those who are not married Redeeming Sexuality answers many of these and other questions that singles teens and parents ask the authors in their conferences and sessions including What is God's plan for sex How should single working professionals college students teens and all other unmarried individuals understand their sexuality in light of God's plan What is allowed and how far is too far How can we have healthy intimate connections with others What is purity and how do we deal with temptation when it is so hard to escape How do we work through the damage and pain that is already done How can parents effectively communicate with their kids about sex This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing Journey with us as we discover a vibrant understanding of God's plan for redeemed sexuality

### **Long-Distance Relationship Intimacy Hack**

Claire Robin, Love is something so beautiful everyone wishes to experience it but it is not without challenges in every relationship Relationships are always filled with ups and downs and in such times the strength of both love and understanding is tested Long distance relationships unlike relationships where the partners get to see each other frequently is more demanding It would take double efforts understanding trust and commitment to maintain them However there are many people in a long distance relationship that managed to keep it going regardless of the hurdles It just needs the effort of both parties and things will go smoothly If you're the only one striving to make things work then chances are your relationship will come to an end eventually Stay in a relationship where both parties are willing to fight for the blooming and thriving of the relationship As the saying goes it takes two to tango There are times when relationships start as short distanced but due to certain life changes such as work transfers new job offers or educational purposes one partner is made to move away from another and serious adjustments will have to be made Many relationships may even end due to this reason but there are many equally that do thrive as a result of joint efforts If you're looking for ways to revive and keep your long distance relationship blooming then this book is for you
