

Country

Poems about

In rolling hills of green and gold,
A story silently unfolds.
The whispering winds call out to me,
"Here is where your heart can be."

Sheep graze in peaceful solitude,
Birds chirp in grateful attitude.
The sky bows down to kiss the land,
In a beauty simple, yet so grand.

Endless pastures, a boundless sea,
In rolling hills, I find me.
A tranquil sight, a peaceful roam,
In rolling hills, I find my home.

, 2009-09-16 BeNeca Ward highlights the practices that were once used to set the American standards on raising children to be kind respectful and responsible adults Shedding light on the timely topic of how to instill great values into today's children this book focuses on GETTING BACK TO THE BASICS OF PARENTING utilizing the lessons that were used for at least three generations but for many reasons are no longer being taught Subtle and informative this book infuses humor and wit as readers reflect upon their own experiences and are tuned into the experiences of others It also spotlights how much was once taught through the simplest lessons With chapters like Hold My Hand The Patience of a Pomegranate The Makings of a Man and Family Ties readers are in for a memorable illuminating experience As Ward states it is never too late to mold America's children into kind respectful and responsible adults Excerpts Growing up we became very familiar with the words structure and discipline They were blended into the cement that was laid on the foundation of our lives which ultimately held all our values together As children we were not given the most but taught to appreciate the least I learned how to accept the fact that everyone will not think that I am the most beautiful person but just as I found beauty within myself someone else would find beauty in me as well Being neighborly was a bit like mandatory community service Bedtime was a regular vocabulary word in our household A man's name was ultimately viewed as the mirror image of his legacy It was looked at as something similar to a bowl of life Everything that he did during his lifetime was put inside of his name *Voices of the Country*

Kirkland,2016-07-01 Into the Far Country is an investigation of Karl Barth s response to modernity as seen through the prism of the subject under judgment By suggesting that Barth offers a form of theological resistance to the Enlightenment s construal of human subjectivity as absolute this piece offers a way of talking about the formation of human persons as the process of being kenotically laid bare before the cross and resurrection of Christ It does so by reevaluating the relationship between Barth and modernity making the case that Barth understands Protestantism to have become the agent of its own demise by capitulating to modernity s insistence on the axiomatic priority of the isolated Cartesian ego Conversations are hosted with figures including Fyodor Dostoevsky Rowan Williams Gillian Rose and Donald MacKinnon in the service of elucidating an account of the human person liberated from captivity to what Barth names self judgment and freed for creative participation in the super abundant source of life that is the prayerful movement from the Son to the Father in the Spirit Therefore an account of Barth s theology is offered that is deeply concerned with the triune God s revelatory presence as that which drives the community into the crucible of difficulty that is the life of kenotic dispossession The Table-talk of Shirley [pseud.] Sir John Skelton,1895 **Armed Forces Talk** ,1950 **Letter from the Secretary of the Interior, Transmitting, in Response to the Resolution of the Senate Dated April 15, 1897, Copy of a Communication Dated March 25, 1897, from Capt.
