Talking with Horses Henry N. Blake, 1976 How I Talk to Horses Margo Ragland Reid, 2017-06-29 Fourteen years ago I bought Missy She was incredible had a bad attitude and she hated me I immediately decided buying Missy was the stupidest thing I d ever done until she talked to me Missy first talked when she really wanted something tried to get it herself and failed In frustration she turned to me and asked me to get it for her When she asked she said it clearly in complete sentences She was surprised that I understood and got it for her I was amazed that she asked so clearly I ve paid attention ever since Now Missy talks all the time Once I got more horses I realized they all talk If we don't notice horses give up and don't try to talk to us anymore We can learn how horses think processes information and talk I reject the term Breaking Horses I don t want broken horses so I don't break them I want spirited intelligent engaged horses Breaking horses makes them anxious and reactive Its archaic thinking like controlling a wife was in the 50 s This book explains How I talk to horses How anyone can if you learn how horses think and speak How to earn your respected position in their herd as their Leader How to fix incorrect or ill behavior by telling them Wrong answer Find a better answer How to show your horse what you want have them trust you become brave and try How to become confident and share that confidence with your horse without arrogance How to interpret what your horse is saying by what your horse is showing you How to help an abused horse overcome PTSD learn to trust and feel safe with you How to turn a reactive brain off turn their thinking brain on so they can respond and not react How to read your horse s ears because ears say as much as their eyes say How to approach a horse who sees you with
