Pilgrim Spirituality Rodney Aist, 2022-04-13 A pilgrim themed spirituality for Christian formation Pilgrim Spirituality resources everyday Christianity congregational life social outreach and religious travel through definitional frames of pilgrimage Pilgrimage is a prominent biblical image Yet despite its contemporary resurgence its capacity for Christian formation remains untapped While our understanding of pilgrimage has been too narrow we lack a definitional framework that fosters transformational practice Definitions matter thought creates possibilities and intentionality enhances experience Recognizing pilgrimage as a comprehensive expression of the Christian life Pilgrim Spirituality provides tools for perceiving spiritual possibilities engaging situational context and interpreting lived experience Espousing both personal and social holiness Pilgrim Spirituality gives definitional status to the Other attends to the self and seeks the presence of God in the facts in which we find ourselves Pilgrim Spirituality examines Christian concepts of time place and journey while emphasizing the personal corporate incarnational metaphorical and tensional character of the pilgrim life Exploring the motives experiences and practices of pilgrimage Pilgrim Spirituality resources readers in their destinational pursuit of the Christian faith the union of God self and the Other **Insight History 1 Trf Resrc File Bklet** , 2006 *On the Road to Being There* , 2006-08-01 This volume consists of a collection of twelve empirical studies that address theoretical and practical issues relating to pilgrimage and tourism activities in late modernity As a contribution to the Religion and Social Order series sponsored by the Association for the Sociology of Religion these studies are particularly directed to assessing both the role of religion in the pilgrimage tourism nexus and the ways in which religious expressions have changed as a result of the technological and social changes of late modernity that affect human behavior in a more general sense The chapters address neo pagan pilgrimage tours to ancient pagan temples travels to spiritual healers the development of historical sites by American religious movements of nineteenth century origin labyrinths pilgrimages that emphasize walking a journey rather than visiting buildings virtual pilgrimage the Roman Jubilee of 2000 Ky to s Gion Festival and similar topics *The Quest* , 2004 **Pilgrimage, Politics, and International Relations** M. Walking with Pilgrims Ruma Bose, 2019-09-23 This volume makes a contribution to understanding pilgrimage not as a transient activity at the margins of daily life but as an event grounded firmly in the physical symbolic and social experience of the everyday world The vital relationship between pilgrimage and society is explored via a focus on a specific pilgrimage the Kanwar pilgrimage of Bihar and Jharkhand in India and the southeast Terai of Nepal The rising popularity of this old but relatively unknown pilgrimage is striking and reflects profound changes in caste class and gender relationships subjectivity and notions of work in a modern economy Through the lens of pilgrimage and pilgrims the book explores the everyday context of life in parts of rural Bihar and southeast Nepal questions about agency and desire in Hinduism and the meaning given to symbolic life in a changing world This requires an integrative approach looking beyond the performance of the pilgrimage to the historical economic and social cultural context The volume underscores the role of popular and local history in understanding the life and popularity of a complex phenomenon such as the pilgrimage today Equal importance is given to the geography and climatic conditions for natural rhythms such as that of rains rivers planetary movements were and still are intimately entwined with the agricultural socio economic and ritual cycles The particular experience of the world that this engenders and its relationship to the pilgrimage is described through the active voice of the pilgrims and descriptions of rites some new and many fast disappearing Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
