What Is Cinema? André Bazin,2005 The first of two volumes this book has been a classic of film studies for as long as it s been available and is considered the gold standard in the field of film criticism

Sex in Public Lauren Rosewarne,2009-03-26 Despite decades of feminist awareness and activism women continue to be portrayed in outdoor advertising in a limited and sexist manner The fact that in public space audiences are exposed to such images without choice renders the issue an important public policy concern Sex in Public utilises a large outdoor advertising data collection to examine the contemporary outdoor advertising landscape documenting the routine portrayal of women as thin white young and idle This book examines why such portrayals are concerning for feminists as well as for public policy and explores the advertising self regulation systems that facilitate the display of such images This book criticises sexist outdoor advertising as a form of sexual harassment given that imagery often bearing very strong semblance to pin ups which would be outlawed in a workplace are readily displayed in public space reflecting a troublesome public policy double standard Understanding sexist outdoor advertising as a form of sexual harassment is a new framework that Sex in Public offers to understand critique and condemn such images

Promiscuous Knowledge Kenneth Cmiel,John Durham Peters,2020-02-27 A lively account of the cultural and intellectual history of how Americans have lived with image and information since the mid nineteenth century Peter Simonson author of Refiguring Mass Communication Sergey Brin a cofounder of Google once compared the perfect search engine to the mind of God As the modern face of promiscuous knowledge however Google s divine omniscience

traffics in news maps weather and porn indifferently This book begun by the late Kenneth Cmiel and completed by his close friend John Durham Peters provides a genealogy of the information age from its early origins up to the reign of Google It examines how we think about fact image and knowledge centering on the different ways that claims of truth are complicated when they pass to a larger public To explore these ideas Cmiel and Peters focus on three main periods the late nineteenth century 1925 to 1945 and 1975 to 2000 with constant reference to the present Cmiel s original text examines the growing gulf between politics and aesthetics in postmodern architecture the distancing of images from everyday life in magical realist cinema the waning support for national betterment through taxation and the inability of a single presentational strategy to contain the social whole Peters brings Cmiel s study into the present moment providing the backstory to current controversies about the slipperiness of facts in a digital age A hybrid work from two innovative thinkers Promiscuous Knowledge enlightens our understanding of the internet and the profuse visual culture of our time With a clear voice and careful evidence Promiscuous Knowledge offers fascinating glimpses into important people and practices from across the centuries Fred Turner author of From Counterculture to Cyberculture [Fake Geek Girls](#) Suzanne Scott,2019-04-16 Reveals the systematic marginalization of women within pop culture fan communities When Ghostbusters returned to the screen in 2016 some male fans of the original film boycotted the all female adaptation of the cult classic turning to Twitter to express their disapproval and making it clear that they considered the film s real fans to be white straight men While extreme these responses are far from unusual with similar uproars around the female protagonists of the new Star Wars films to full fledged geek culture wars and harassment campaigns as exemplified by the GamerGate controversy that began in 2014 Over the past decade fan and geek culture has moved from the margins to the mainstream as fans have become tastemakers and promotional partners with fan art transformed into official merchandise and fan fiction launching new franchises But this shift has left some people behind Suzanne Scott points to the ways in which the men s rights movement and antifeminist pushback against social justice warriors connect to new mainstream fandom where female casting in geek nostalgia reboots is vilified and historically feminized forms of fan engagement like cosplay and fan fiction are treated as less worthy than male dominant expressions of fandom like collection possession and cataloguing While this gender bias harkens back to the origins of fandom itself Fake Geek Girls contends that the current view of women in fandom as either inauthentic masqueraders or unwelcome interlopers has been tacitly endorsed by Hollywood franchises and the viewer demographics they selectively champion It offers a view into the inner workings of how digital fan culture converges with old media and its biases in new and novel ways **The Swimsuit Issue and Sport** Laurel R. Davis,2016-02-24 This study of the Sports Illustrated swimsuit issue demonstrates how the magazine encourages individual and institutional practices that create and maintain inequality Laurel Davis illustrates how the interactions of media production media texts media consumption and social context influence meaning Individuals interpretations of and reactions to the magazine are influenced by their views about gender and

sexuality views that have been shaped by their social experiences Based on extensive interviews with Sports Illustrated producers and consumers as well as analysis of every swimsuit issue from the first in 1964 to those of the 1990s the book argues that Sports Illustrated uses the swimsuit issue to secure a large male audience by creating a climate of hegemonic masculinity This practice produces considerable profit but on the way to the bank tramples women gays lesbians people of color and residents of the postcolonialized world **Stars** Richard Dyer, Paul McDonald, 2019-07-25 Through the intensive examination of films magazines advertising and critical texts Dyer analyses the historical ideological and aesthetic significance of stars changing the way we understand screen icons Paying particular attention to icons including Marlon Brando Bette Davis Marlene Dietrich Marilyn Monroe and John Wayne

Discover tales of courage and bravery in Crafted by is empowering ebook, **The Pin Up** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
