The Poems Of Marianne Moore

Marianne Moore

The Poems Of Marianne Moore:

The Complete Poems of Marianne Moore Marianne Moore, 1981 *Complete Poems* Marianne Moore, 1994-11-01 Teems with sharp observation profound moral insight high satiric wit and all manner of aesthetic delight The New York Times Book Review A Penguin Classic This definitive edition brings together all the works that Pulitzer Prize winning Marianne Moore wished to preserve covering more than sixty years of writing and incorporating the final revisions she made to the texts The poems demonstrate Moore's wide range of interests moving from witty images of animals sporting events and social institutions to thoughtful meditations on human nature In entertaining informative notes Moore reveals the inspiration for complete poems and individual lines within them For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The Poems of Marianne Moore* Marianne Moore, 2003 At long last comes the full treasure chest of poems hitherto unopened by one of America's most cherished 20th century poets *New Collected Poems* Marianne Moore, 2024-06-04 A landmark definitive edition of one of our most innovative and beloved poets The landmark oeuvre of Marianne Moore one of the major inventors of poetic modernism has had no straight path from beginning to end until now there has been no good vantage point from which to see the body of her remarkable work as a whole Throughout her life Moore arranged and rearranged visited and revisited a large majority of her existing poetry always adding new work interspersed among revised poems This makes sorting out the complex textual history that she left behind a pressing task if we mean to represent her work as a poet in a way that gives us a complete picture *New Collected Poems* offers an answer to the question of how to represent the work of a poet so skillful and singular giving a portrait of the range of her voice and of the modernist culture she helped create William Carlos Williams remarking on the impeccable precision of Moore's poems praised the aesthetic pleasure engendered when pure craftsmanship joins hard surfaces skillfully It is only in *New Collected Poems* that we can understand her later achievements see how she refashioned her earlier work and get a more complete understanding of her consummate craftsmanship innovation and attention to detail Presented and collected by Heather Cass White the foremost scholar of Moore's work this new collection at last allows readers to experience the untamed force of these dazzling poems as the author first envisioned them **Becoming Marianne Moore** Marianne Moore, 2002 These notes in turn point readers to narrative accounts of Moore's associations with her early publishers that offer a range of historical contextual biographical and bibliographic information about the publication events of Moore's poems and explore her attempts to shape her literary career in concert with some of her most famous modernist peers Richard Aldington H D Harriet Monroe Ezra Pound and William Carlos Williams **BOOK JACKET** *The Complete Poems of Marianne Moore*

Marianne Moore, 1981 *The Complete Poems of Marianne Moore* Marianne Moore, 1987-09-01 **Marianne Moore, Woman and Poet** Patricia C. Willis, 1990 *Critics and Poets on Marianne Moore* Linda Leavell, Cristanne Miller, Robin G. Schulze, 2005

The first collection of essays about Marianne Moore to appear in fifteen years this book brings together the work of well established Moore scholars such as Patricia C Willis Elizabeth Gregory Cristanne Miller Linda Leavell and Robin G Schulze with that of new contributors to the field The essays in this volume written from a variety of international perspectives range across the most pressing concerns of contemporary literary study and reassert Moore's centrality to a critical and poetic field in which she has been surprisingly marginalized This book also includes poems written by contemporary poets many of them significant contributors to scholarship on Moore as a way of acknowledging the importance of Moore's verse to living writers The poems compliment the scholarly essays by demonstrating in verse the important ways in which Moore's artistic achievements have stimulated her successors

Marianne Moore Cristanne Miller, 1995 Not confessional or autobiographical not openly political or gender conscious all that Marianne Moore's poetry is not has masked what it actually is Cristanne Miller's aim is to lift this mask and reveal the radically oppositional aesthetic and political nature of the poet's work A new Moore emerges from Miller's persuasive book one whose political engagement and artistic experiments though not cut to the fashion of her time point the way to an ambitious new poetic Miller locates Moore within the historical literary and family environments that shaped her life and work particularly her sense and deployment of poetic authority She shows how feminist notions of gender prevalent during Moore's youth are reflected in her early poetry and tracks a shift in later poems when Moore becomes more openly didactic more personal and more willing to experiment with language typically regarded as feminine Distinguishing the lack of explicit focus on gender from a lack of gender consciousness Miller identifies Moore as distinctly feminist in her own conception of her work and as significantly expanding the possibilities for indirect political discourse in the lyric poem Miller's readings also reveal Moore's frequent and pointed critiques of culturally determined power relationships those involving race and nationality as well as gender Making new use of unpublished correspondence and employing close interpretive readings of important poems Miller revises and expands our understanding of Marianne Moore And her work links Moore in her radically innovative reactions to dominant constructions of authority with a surprisingly wide range of late twentieth century women poets
