

THE POETRY OF THE AMERICAN CIVIL WAR

EDITED BY LEE STEINMETZ

With a new Foreword by James M. Lundberg

The Poetry Of The American Civil War

Francis Fisher Browne

The Poetry Of The American Civil War:

The Poetry of the American Civil War Lee Steinmetz, 2012-12-30 Deeply affecting and diverse in perspective The Poetry of the American Civil War is the first comprehensive volume to focus entirely on poetry written and published during the Civil War Of the nearly one thousand books of poetry published in the 1860s some two hundred addressed the war in some way and these collectively present a textured portrait of life during the conflict The poets represented here hail from the North and the South and at times mirror each other uncannily Among them are housewives doctors preachers bankers journalists and teachers Their verse reflects the day to day reality of war death and destruction and it contemplates questions of faith slavery society patriotism and politics This is an essential volume for poetry lovers historians and Civil War enthusiasts alike

The Poetry of the American Civil War Lee Steinmetz, 2003-01-01 **Poets of the Civil War** J. D.

McClatchy, 2005-04-07 Writers on both sides of the American Civil War brought to the crisis in editor J D McClatchys words poetry s unique ability to stir the emotions to freeze the moment to sweep the scene with a panoramic lens and suddenly swoop in for a close up of suffering or courage This vibrant collection brings together the most memorable and enduring work inspired by the conflict the masterpieces of Whitman and Melville Sidney Lanier on the death of Stonewall Jackson the anti slavery poems of Longfellow and Whittier the front line narratives of Henry Howard Brownell and John W De Forest the anthems of Julia Ward Howe and James Ryder Randall Grief indignation pride courage patriotic fervor ultimately reconciliation and healing the poetry of the Civil War evokes unforgettably the emotions that roiled America in its darkest hour About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics *The Southern War Poetry of the Civil War* Esther Parker Ellinger, 1970

The Poetry of the American Civil War. Edited by L. Steinmetz Marion Lee STEINMETZ, 1960 **To Fight Aloud is Very Brave** Faith Barrett, 2012 Focusing on literary and popular poets as well as work by women African Americans and soldiers this book considers how writers used poetry to articulate their relationships to family community and nation during the Civil War Faith Barrett suggests that the nationalist we and the personal I are not opposed in this era rather they are related positions on a continuous spectrum of potential stances For example while Julia Ward Howe became famous for her Battle Hymn of the Republic in an earlier poem titled The Lyric I she struggles to negotiate her relationship to domestic aesthetic and political stances Barrett makes the case that Americans on both sides of the struggle believed that poetry had an important role to play in defining national identity She considers how poets created a platform from which they could speak both to their own families and local communities and to the nations of the Confederacy the Union and the United States She argues that the Civil War changed the way American poets addressed their audiences and that Civil War poetry changed the way Americans understood their relationship to the nation Book jacket **"This Mighty Convulsion"**

Christopher Sten, Tyler Hoffman, 2019-11-15 This is the first book exclusively devoted to the Civil War writings of Walt Whitman and Herman Melville arguably the most important poets of the war The essays brought together in this volume add significantly to recent critical appreciation of the skill and sophistication of these poets growing recognition of the complexity of their views of the war and heightened appreciation for the anxieties they harbored about its aftermath Both in the ways they come together and seem mutually influenced and in the ways they disagree Whitman and Melville grapple with the casualties complications and anxieties of the war while highlighting its irresolution This collection makes clear that rather than simply and straightforwardly memorializing the events of the war the poetry of Whitman and Melville weighs carefully all sorts of vexing questions and considerations even as it engages a cultural politics that is never pat Contributors Kyle Barton Peter Bellis Adam Bradford Jonathan A Cook Ian Faith Ed Folsom Timothy Marr Cody Marrs Christopher Ohge Vanessa Steinroetter Sarah L Thwaites Brian Yothers Private Hercules McGraw Summers, S. Thomas, 2015-03-13 Each poem s speaker shares with us his journey through the landscapes of the American Civil War McGraw a Confederate soldier and racist steps into the War in order to assure that slavery will exist long enough for him to purchase a slave with hopes to impress his love Martha As McGraw treks through the blood and mire experiencing both triumph and tragedy he begins to transform into a man of peace and compassion a man who no longer sees a black man or a white man he simply sees a man a fellow a brother

Bugle-Echoes Francis Fisher Browne, 2023-07-18 This anthology of poetry captures the emotions and experiences of soldiers on both sides of the American Civil War Francis Fisher Browne compiles works by famous poets such as Walt Whitman Emily Dickinson and Herman Melville as well as lesser known writers of the era The result is a powerful and moving portrait of one of the defining moments in American history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Drum-Taps Walt Whitman, 2024-03-07 Drum Taps by Walt Whitman is an affirmative and poignant collection of poems that reflects the poet s deep engagement with the American Civil War Published during the mid 19th century Whitman s work captures the emotional and physical toll of war while celebrating the resilience and spirit of the American people In Drum Taps readers can expect a series of verses that provide a vivid and personal portrayal of the Civil War experience Whitman often referred to as the poet of democracy likely employs a free verse style to convey the raw and unfiltered emotions of soldiers on the battlefield as well as the impact of the war on the nation The title Drum Taps suggests a thematic focus on the military and the rhythmic beats of war drums emphasizing the sounds and cadences associated with conflict Whitman s verses may

explore themes of camaraderie sacrifice and the profound human experiences that emerge during times of strife
