World Authors, 1900-1950 ,1996 Provides almost 2700 articles on twentieth century authors from all over the world who wrote in English or whose works are available in English translation **Severe Space Weather Events** National Research Council,Division on Engineering and Physical Sciences,Space Studies Board,Committee on the Societal and Economic Impacts of Severe Space Weather Events: A Workshop,2009-01-17 The adverse effects of extreme space weather on modern technology power grid outages high frequency communication blackouts spacecraft anomalies are well known and well documented and the physical processes underlying space weather are also generally well understood Less well documented and understood however are the potential economic and societal impacts of the disruption of critical technological systems by severe space weather As a first step toward determining the socioeconomic impacts of extreme space weather events and addressing the questions of space weather risk assessment and management a public workshop was held in May 2008 The workshop brought together representatives of industry the government and academia to consider both direct and collateral effects of severe space weather events the current state of the space weather services infrastructure in the United States the needs of users of space weather data and services and the ramifications of future technological developments for contemporary society s vulnerability to space weather The workshop concluded with a discussion of un or underexplored topics that would yield the greatest benefits in space weather risk management

Farmer, Flyer, Futurist: the Memoirs of Admiral Owen Wesley Siler, Commandant of the United States Coast Guard Owen Wesley Siler,2019-09-11 The course of Owen Wesley Siler s life forever changed when he enlisted in the United States Coast Guard USCG in 1941 After he entered the Coast Guard Academy Siler s path soon led him to serve in the Second World War and and after the war he rose to the rank of admiral and commandant of the USCG Posthumously shared in Admiral Siler s words and edited by his daughter this memoir recounts a young man s journey of dedication and focus as he traveled from a farm in California to the Coast Guard academy through the turmoil of the Second World War and finally into thirty five years of dedicated service In his fascinating narrative Admiral Siler details how he honed his lifelong interest in aviation into an occupation that expanded the lifesaving capabilities of the Coast Guard search and rescue efforts from US coasts to international waters and how as commandant he set new precedents that transformed future operations of the Coast Guard Farmer Flyer Futurist offers unique insight into a military man s role with the United States Coast Guard during a critical time in history **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1972 *The Publishers Weekly* ,1969 **On Thin Ice** Richard Ellis,2009-11-17 From a graceful writer who s written some of the best natural history books of the past decade The New York Times Book Review comes an urgent stirring celebration and a rallying cry on behalf of one of earth s greatest natural treasures Polar bears fierce and majestic have captivated us for

centuries Feared by explorers revered by the Inuit and beloved by zoo goers everywhere they are a symbol for the harsh beauty and muscular grace of the Arctic But as global warming threatens the ice caps integrity the polar bear has also come to symbolize the environmental peril that has arisen due to harmful human practices In the past twenty years alone the world population of polar bears has shrunk by half Today they number just 22 000 **A Case of Greed** Don L.

McCarty,2014-11-17 It is 1997 when retired attorney Austin Wells receives a desperate phone call from his former friend Adele Ogden Her brother Frankie has been reported being murdered in Ensenada Mexico After Austin reluctantly agrees to accompany her to Mexico to temporarily help sort things out he has no idea he is about to walk into a complex mystery mired in malice greed and betrayal With nothing to go on but a phone call from an unknow caller the two leave San Diego for Mexico to determine if and why Frankie was killed After finally locating a body in the morgue Austin and Adele begin gathering facts from the locals and the American Embassy that soon leads them to believe Frankies death was part of a larger conspiracy But it is only when the pair returns to San Diego that they discover that Frankie has bequeathed his property to unlikely recipients further complicating a mystery that ultimately leads them back in time to World War II and into the depths of the Catholic Church where they uncover a shocking truth about Frankie In this murder mystery the past and present collide with ethical ironies as a secret is unveiled and a tenacious attorney attempts to piece together a conspiracy in time to save its innocent victims from a bleak destiny **The National Geographic Magazine** ,1922 Indexes kept up to date with supplements
